I hope you had a great weekend – the weather was beautiful and that has carried through to today.

Wellington has again asked that I follow up with you regarding the COVAX Facility and the EU-announced 'International Buyers Group'. We also understand from a conversation that (10)(2a) had with Prime Minister Rutte late last week that the Inclusive Vaccine Alliance is still alive and well. We are keen to understand the relationship between these three mechanisms, and better understand the Netherlands' views on how the world can achieve equitable access and distribution for all countries for vaccines against SARS-COV-2.

I look forward to hearing from you

I hope this email finds you well.

It has been less than a month since we spoke and yet the world has changed again so much since then. The fast pace of the spread of COVID-19 and the world response to it continues to quicken.

Would you have any time in the next two weeks to discuss (via phone) multilateral initiatives on vaccines with me? (10)(2a) (10)(2a) I can try and fit in with your availability, but we are seeking to engage with you prior to the August break.

Met vriendelijke groet / Ngā mihi, nā

Kia ora (10)(2e),

How lovely it was to read your greeting in te reo Māori! Have you been to New Zealand previously?

Thank you very much for your reply. Yes, we were very interested to read the big announcement on Saturday. I imagine you and your colleagues, and the Minister, were very busy not only with the announcement but the negotiation of the agreement itself.

If it is easier, we can just chat on the phone tomorrow at 2pm to go through the answers instead of you having to type them back to me.

I also take this opportunity to share New Zealand's Vaccine Strategy, which was announced on 26 May. A press release was issued by the three Ministers involved.

I look forward to hearing from you again soon.

Met vriendelijke groet / Ngā mihi, nā

Dear (10)(2e), tēnā koutou i tēnei ahiahi,

The weekend was over here quit bussy.

Yesterday, the Inclusive Vaccine Alliance announced it has entered into an agreement with AstraZenica to purchase a 400 million dose of Covid vaccine when it registers.

See here the link to the English press release.

I would like to hear which questions you would like to see answered exactly.

If necessary, we could speak further by telephone on Tuesday afternoon at 2 p.m. Does that suit you well?

Met vriendelijke groet, Best Regards,

I hope you had a great weekend, although the weather was very changeable. I am just following up on my email below regarding your availability on Monday 15th or Tuesday 16th June for a phone call to discuss the Inclusive Vaccine Alliance.

I would be very grateful if you could please let me know which day would suit you as Wellington has requested that I engage with you as a priority to seek further information and ask a few questions about the Alliance.

I look forward to hearing from you.
