Dear 5.1.2e

It was really nice talking to you on Monday. As promised, please find attached the final submitted version of the ZonMw proposal. As mentioned already, 5.1.2e UMCU, submitted the proposal. Here you can also see names of all participating.

Yesterday, I had a meeting with 5.1.2e and 5.1.2e about FFX and I mention to them about the CD10 results and possibilities of working together with 5.1.2e 5.1.2e thought that for the study in September also heparin-blood was going to be collected but she was not sure. She will let me know.

Cheers,

5.1.2e
