Onderwerp: Background Documents for the call with Prime Minister Rutte & VPM De Jonge [Confidential]

Confidential

Dear [redacted]

As we discussed please find attached the following documents;

- a short backgrounder setting out the context for the call
- a biography for [redacted]

As mentioned in our conversations given [redacted] [redacted] bringing together all of the extensive capabilities and resources we have directed across our organisation, to accelerate our response to the pandemic.

I also include a slide, for your own background, that outlines the company's legacy in the area of vaccines and infectious diseases. I am aware we have been organising this between ourselves during this period of annual leave, please do let me know if I can provide more formal background materials for the Prime Minister in Dutch or further information regarding our company and our footprint here in the Netherlands.

Finally, could you please confirm final meeting logistics, if this is something that you would like us to organise please let me know?

Thank you for your support in facilitating this call, particularly through your holiday. I will make myself available should you have any further questions or need for further information.

Yours sincerely
