Subject: request for urgent call[5.1.2e [redacted]]Netherlands regarding remdevisir
Received: Mon 9/28/2020 7:42:37 AM

Dear 5.1.2e [redacted]

Hospitals in the Netherlands, and most probably elsewhere in Europe, are running out of stock for the medicine of remdevisir soon, while the number of COVID-19 patients in hospitals are rapidly increasing.

My 5.1.2e [redacted] for COVID-19 would like to phone you urgently to discuss if additional EU initiatives could be taken besides the ESI and running Joint Procurement.

During the weekend we were already in contact with your staff in Luxembourg about the running JP and ESI and we thank them for their additional support. However this will help the hospitals in the Netherlands only for the short term.

Please could you let me know when a call suits you, preferably as soon as possible today.

Kind regards

5.1.2e [redacted]
