Dank je [REDACTED] 5.1.2e

Maar een onmiddellijke pauzering/stop van leveringen naar Nederland zou wel fijn zijn!

Groet,

 Subject: [EXTERNAL] Janssen vaccins & The Netherlands

Dear 5.1.2e colleagues,

The Netherlands hopes to start donating to Gavi/Covax soon, via Belgium as facilitating state.

Therefor I would like to request that Janssen stops delivering vaccines to The Netherlands immediately, as these doses can't be used for donations to Covax.

Furthermore we agree with the upcoming donation of 50 million doses to Covax, also on our behalf. Please confirm which part of this 50 million can be counted as a contribution from The Netherlands.

Lastly, concerning the last 25 million of the contract. The Netherlands prefers that these doses will be delivered and donated to Covax on our behalf.

However, we will align ourselves with a common position with the Team EU colleagues if that will be required.

Best regards,

5.1.2e
