Hi 5.1.2.e,

See the attachments. It's the policy letter 5.1.2.e shared with you last week, but the letter itself is only in Dutch. It is partly an update on our disinformation policy in light of COVID-19 and partly is about a report by the IViR on regulation of internet platforms and political advertising, which luckily has been translated. An internet translation may get you some useful information out of the letter and otherwise we can also elaborate on it in the call.

Kind regards,

5.1.2.e

Hi 5.1.2.e, can you share the letter on disinformation? Would like to read it in advance of our call.

On a related note, we published a blog yesterday around bots and inauthentic activity, as we often get questions on the topic. It might be of interest to you and the team:

Hi all,

Given that it's been a while since we've last spoken and the we've published a policy letter on disinformation last week, we thought it would be a good idea to have another videocall to update each other on recent developments. For us next week Thursday, the 28th between somewhere between 10 and 2 or on Tuesday the 2nd during the morning would be options for a call. When would be suitable for you guys?

Kind regards,
