

Subject: RE: Coronavirus: Nasal swab test being researched in Brisbane XING Technologies lab showing promising results

Dank [redacted]

Beste is dat je toch naar [redacted] gaat (zij is de link!) maar wat je kan doen is

[redacted] : [redacted] [@minvws.nl](mailto:[redacted]@minvws.nl)

En evt [redacted] : [redacted] [@minvws.nl](mailto:[redacted]@minvws.nl)

Addresseren; mn [redacted] is nu vrijgemaakt om dit soort zaken mede op te pakken.

Allicht worden ze overstelpet met vragen/aanbiedingen en ik kan niet geheel goed zelf beoordelen in hoeverre dit ze kan helpen!

Graag

[redacted]

Beste [redacted]

Sinds maart dit jaar meermaals contact gezocht met [redacted], [redacted] en anderen in Nederland. Maar het wil maar niet landen!

Graag deel ik onderstaande link met je.

Onder andere de [redacted] zijn aan boord. Wellicht goed dat Nederland in ieder geval de propositie verder verkent?

Ik hoor het graag.

Met vriendelijke groet,

[redacted]
