Perfect. The team is on it. The physicians are going to be COVID tested tomorrow, and the ministry is working on their paperwork in Curacao.

Hi [redacted]

It is 2 extra for Curacao on top of the 6. And fill up to 10 MDs on Aruba as planned.

Hi 5.1.2e

Not a problem. I will get working on this ASAP.

My only question at this point is should we be backfilling these positions with ICU MDs on Aruba? And then be working with 6 on Curacao, and 10 on Aruba. Or will we just be moving these two so that there will be 6 on Curacao and 8 on Aruba.

Kind regards,
