Beste 5.1.2e, 5.1.2e en 5.1.2e

Onderstaande mail én de vertraging die de opvolging van 5.1.2e oploopt, lijkt een goede reden voor een gezamenlijk overleg van de taken en planning van JAHG WP9.

Ik stel voor om dit maandagochtend 14 september tussen 11 en 12.30 te doen, wat mogelijk lijkt op basis van de agenda's. Waar nodig (en in overleg met het secretariaat) is een ander moment ook mogelijk natuurlijk. Maar dit als initiatief.

Groet,
5.1.2e

Subject: EU HEALTHY GATEWAYS: Amendment of joint action work plan - WP 9

Dear Work Package 9 Leaders,

We are communicating with each Work Package leader in preparation for amendments to the joint action timetable and deliverables/milestones. After receiving your modifications to the WP 9 work plan, we have also reviewed the remaining tasks planned for WP 9 and those delivered in the context of COVID-19.

Given the high workload and time constraints during COVID-19, we propose that the work plan for WP 9 focuses on the highest priority and most relevant tasks.

For this purpose, please find attached:

- Suggested amendments to WP 9 work plan
- Revised timeline with suggested deadlines and completion status milestones

We welcome and highly appreciate your opinion and feedback on the proposed amendments.

Actions required:

1. Review the attached "WP9 amended work plan".

Please share the requested feedback or any changes via track changes and return **by Friday 18 September** to:

5.1.2e <5.1.2e@healthygateways.eu>

2. Review the attached "EU HG Timeline V3"

Please review the Excel file and share with us any changes **by Friday 18 September** to: 5.1.2e <5.1.2e@healthygateways.eu>

We will be organizing a Steering Committee meeting in October for final review and finalization of the work plans.

We remain at your disposal for any further information.

With kind regards,

5.1.2e
