Betreff: Covid-19: Swiss Index case on flight from Split to Amsterdam
Priorität: Hoch

Dear NFP of Netherland

The Federal Office of Public Health informs you about a person tested positive for Covid-19 in Switzerland; this person travelled from Split to **Amsterdam** to Zurich (probably with KLM) on 30.08.2020. Unfortunately we don't have more information than mentioned in the attached file. The password for the file will be sent separately.

Best regards

[REDACTED]
