Dear [REDACTED],

Thank you for this email. This bijstandsverzoek is with our RIVM colleagues. They are reviewing the technical aspects of it. I suggest you discuss the status tomorrow in the weekly Friday call with RIVM. I have copied the colleagues in this email so that they are aware that you request an update.

Kind regards,

[REDACTED]

Onderwerp: Fwd: bijstandsverzoek and Lab Capacity meeting

Good day [REDACTED],

I kindly refer you to below correspondence received from cabinet VSA on behalf of minister Pannefkek.

As I am currently out of office, I took the liberty to include them in this correspondence, in order to prevent delays to your response, as I am not consistently following up on my emails remotely while I'm out of office.

Regards,

[REDACTED]

Dear 5.1.2e,

Can you provide an update on the second bijstand verzoek to VWS in particular regarding lab capacity (technicians, PCR equipment), PCR test kits, PPEs, financial support for a COVID19 Control Unit at CPS? (Admins, nurses, data entry, equipment, space) If you need my assistance please let me know, I know you have limited staff.

Kind regards,

5.1.2e

Dear 5.1.2e good morning,

I would appreciate any information you can share how the request was received and what happens next. If there are any questions please let me know. In periodic contact with RIVM last Friday the testing situation at SLS was discussed briefly as well and I shared the document also with 5.1.2e at RIVM as well for discussion with VWS.

Kind regards,

5.1.2e
