Hi [REDACTED]

Thank you too. And we had our technical issues too ...
 Luckily, everyone remained patient.
 We may have an appointment online later in January? To hear what you have in mind?

A good weekend for you too,

[REDACTED]

Dear [REDACTED]

Just wanted to follow up and thank you for a very valuable Horizon scan meeting yesterday – really interesting presentations and discussions, and apologies for my technical glitch!
 [REDACTED] and I would love to take the time to discuss COVID-19, MSD's role and the ex-COVID patient group which we referred to yesterday with you further.

The lead up to Christmas is probably very busy for you, but maybe we can set an appointment up early January?

In the meantime wishing you a good weekend!

Best wishes,

[REDACTED]
