Beste [10.2.e],

In de bijlage het Excel-bestand met alle investeringen. Wij kwamen erachter dat in het Word-document dat wij aan jullie hebben gestuurd een optelfout stond bij component 2.3. Dit is rechtgezet en vind je eveneens in de bijlage.

Mocht je nog aanvullende vragen hebben dan horen wij het graag.

Groeten,

First of all, my best wishes for the new year.

As a follow-up to our fruitful meeting last month, we would like to propose to schedule a technical meeting in the last week of January to discuss potential measures from our stocktaking exercise. We would prefer to schedule the meeting on Monday 25/1 or on Thursday 28/1. Looking forward to hearing about your availability during this week.

Thank you very much in advance,

Best regards,

Thank you for your mail.
