Onderwerp: The decks

Dear [redacted], [redacted] and [redacted],

Unless you have some other thoughts or ideas you would like to share with us today, we are in the process of preparing the final decks as follows:

1. The 'complete deck', which you have seen the last iteration of and we are now finalising at addressing key points outstanding such as sustainability.
2. A much shorter 'executive summary deck' which will also guide our feedback conversation with the KLM Senior Leadership team (now scheduled for midday Thursday). Especially on this second 'summary' deck, we would welcome your guidance on anything you would prefer we do/don't include.

Thanks in advance and of course if there is anything important to discuss we are happy to arrange a call.

All the best - [redacted]
