Re Reference Case Number 2019-NL-82EG-01

Dear 10.2.e ,

Thank you for your follow up letter with reference case number 2019-NL-82EG-01 concerning the presence of the substance 2-Amino-Flubendazole in porcine products from the Netherlands. In the letter you have requested clarification of our previous submitted responses.

Please allow me to give further explanation regarding the identification and registration of animals for meat production, the food chain information, the monitoring of chemical substances and the interdependence of these, during our meeting which is scheduled for December 3, 2019, in 10.2.a

Sincerely yours,
