Onderwerp: Fwd: Container halted at customs with wrong certificate

FYI, mocht 10.2.e zich bij jou melden.

Replacement kan dus, maar nog geen verzoek ontvangen. Ik lees in de mail van 10.2.e dat de container mogelijk is geopend door local customs.

Groet, 10.2.e

Onderwerp: Antw: Container halted at customs with wrong certificate

Beste collega's,
 We wachten op het verzoek van 10.2.a.
 Dat laat op zich wachten.
 Pas op heel uitdrukkelijk verzoek van boven af, wijken we daarvan af. Anders wachten we op het verzoek van 10.2.a.

Onderwerp: RE: Container halted at customs with wrong certificate

Dear 10.2.e,

I don't understand why the NVWA is waiting for further instructions from the 10.2.a embassy. Last week we have had contact with NVWA and based on this information we informed 10.2.a customs so they can ask for a replacement. However, I learned that the container was already opened by local customs, and for that reason I informed customs headquarters in 10.2.a to further instruct local customs.

At this moment I do not have any further information!

With kind regards, 10.2.e

Onderwerp: Container halted at customs with wrong certificate

Dear all,

I hope you all survived well Christmas time.

We understand that there has been some contact concerning the halted container by the 10.2.a government. Today we have had some contact with the NVWA (COA) and they informed us that they are awaiting instructions from the Embassy in 10.2.a concerning the further steps to be taken with this halted container.

Please let us know what Vion can do to speed up the current process, so that we can close this issue?

I hope you will have all a nice turn of the year, and I trust that we can continue our good collaboration during the next year!!! Thanks for all help during 2019.

Best regards,

10.2.e
