Dear Members of the Health Security Committee,
Dear Colleagues,

Please find below a link to the Commission's guidance on how to safely resume travel and reboot Europe's tourism in 2020 and beyond, published today.

The Commission's Tourism and Transport package includes:

- An overall strategy towards recovery in 2020 and beyond;
- A common approach to restoring free movement and lifting restrictions at EU internal borders in a gradual and coordinated way;
- A framework to support the gradual re-establishment of transport whilst ensuring the safety of passengers and personnel;
- A recommendation which aims to make travel vouchers an attractive alternative to cash reimbursement for consumers;
- Criteria for restoring tourism activities safely and gradually and for developing health protocols for hospitality establishments such as hotels.
