Onderwerp: FW: Opfølging: Nederlandene - interesse i dansk vaccinationsstrategi

Hi 5.1.2e

5.1.2e from the Danish ministry is working to setup the meeting on the Danish side. She is requesting more information about what particular aspects VWS are looking for concerning the vaccination strategy.

If you could please elaborate a bit more on this, then I can forward the information to 5.1.2e who could find the right people for the meeting.

Kind regards,
5.1.2e
