Ha [REDACTED]

Even vertrouwelijk voor jullie ter info. Vanuit GMT zullen wij alle niet-vaccin zaken mbt joint procurement of anderszins ontwikkelingen voor ons rekening nemen.

Aangezien er nu een en ander te doen is over Monoclonal Antibodies (MABs) als mogelijke behandeling voor COVID. Wij zijn zowel nationaal als via EC op de hoogte van fabrikanten die met een ontwikkeling bezig zijn.

Groet

Ik zal donderdag deelnemen aan de call.

Vr groet
