It would help a lot if we knew more about AZ, before we need to decide on this!

Subject: Proposal for additional supply of COVID-19 vaccine Moderna

Dear [redacted]

As discussed during our call on Tuesday, Moderna welcomes the opportunity to support you and the European Commission as you work diligently to secure additional supply of vaccines for citizens of the European members states. We share a common objective!

Please find attached a proposal for additional supply that we would appreciate discussing personally with you, in advance of your meeting with the EU Member States on Friday, January 15.

We will prioritize this personal call with you and would appreciate it if your assistant could kindly set up a call on Thursday at a convenient time.

Thanking you in advance.

Kind regards
