Dus eigenlijk zijn ze een week later?!

Geef jij door of Movianto in het weekend ontvangt?

En bespreek jij dit ook met [5.1.2e], zodat hij weet waar hij rekening mee moet houden?

Groet,

[5.1.2e]

Dear [5.1.2e]

We are pleased to share with you the details regarding your next delivery of COVID-19 Vaccine Moderna, in-line with the Estimated Delivery Schedule from January 12th, which has been distributed earlier by the European Commission.

We are happy to confirm that the amount of the next shipment will be as earlier estimated. In the case of Netherlands it will be [5.1.2a] Shipping Cases containing [5.1.2b] doses.

Please note that for operational reasons, the second wave of deliveries to EU Member States will begin on Friday, January 29th, and will continue over the weekend. The scheduled arrival date and time of the vaccine at your warehouse in Netherlands is: Saturday, January 30th, PM.

Please reply to this email before Monday, January 25th, 12 noon, either agreeing to the proposed delivery schedule or telling us that your receiving warehouse has difficulties in accepting deliveries over the weekend. In the latter case, we would reschedule and deliver the vaccine at the beginning of the following week.

Best regards,
