Subject: RE: First draft allocation table (Bazaar) for Pfizer Top Up
Received: Mon 1/11/2021 9:10:44 AM

Dear [redacted]

The Netherlands agrees to the proposed pro rata allocation of the new extra top up, of 200 mio Pfizer vaccins.

When countries want less than their share, we agree to a pro rata division of the surplus.

The Netherlands will be one of those who want more, if available.

Best regards,
[redacted]

The Netherlands
