

Coronavirus: Rules and recommendations

The following **prohibitions and obligations** currently apply throughout Switzerland. The cantons may introduce further measures if necessary.

Masks compulsory on public transport

Masks compulsory at demonstrations

1000

Ban on gatherings of more than 1000 people

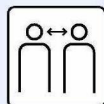

Quarantine for travellers from countries with a high risk of infection

Precautionary measures for businesses, public buildings and gatherings

The rules on hygiene and social distancing are further important **recommendations** to prevent the further spread of the coronavirus.

Observe a distance of at least 1.5 metres

Wear a mask if this distance cannot be observed

Observe the rules on hygiene

Get tested if you have symptoms

Provide contact data to allow tracing

Observe the rules on isolation or quarantine

The **SwissCovid app** for mobile phones facilitates tracing. For download: Google Play Store for Android and Apple Store for iOS.
