IPCR - Questionnaire for ISAA no. 30 report on COVID-19 - Questions

1. Questionnaire 1 - Public health
1.1. Epidemiology
1.1.1. Question
Q1: Please indicate your nationally estimated basic reproduction number (R0). The current estimated basic reproduction number is 1,01 (26/8).
Expected type of value : Text of maximum 1500 characters.
1.1.2. Question
Q2: Please indicate your nationally estimated relative contribution of reduction of reproduction (R) and/or contact rate by measure (if known).
Expected type of value : Text of maximum 1500 characters.
1.1.3. Question
Q3: Please indicate the % of symptomatic vs asymptomatic.
Expected type of value : Text of maximum 1500 characters.
1.1.4. Question
Q4: Please indicate the % of symptomatic requiring hospitalization. 12.126 out of 67.543 patients are hospitalized = 18 %
Expected type of value : Text of maximum 1500 characters.
1.1.5. Question
Q5: Please indicate the % of hospitalized requiring intensive / critical care.
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.1.6. Question
Q6: Please indicate the infection fatality rate.
6.207 out of 67.543 patients died = 9.2%
Expected type of value : Text of maximum 1500 characters.
1.1.7. Question
Q7: Please indicate the prevalence of symptomatic cases.
Expected type of value : Text of maximum 1500 characters.
1.1.8. Question
Q8: Please indicate the attack rate.
Expected type of value : Text of maximum 1500 characters.
1.1.9. Question
Q9: Please indicate, if available, the % of immunity achieved.
Expected type of value : Text of maximum 1500 characters.
1.1.10. Question
Q10: Please indicate what values should the parameters above have, as criteria for lifting of physical distancing measures, public spaces and schools re-opening as well as re-introduction of mass-gatherings, lifting of travel restrictions and re-opening of borders.
Expected type of value : Text of maximum 1500 characters.
1.2. Resources shortfalls in response

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.2.1. Question	
Q11: Is a stockpile of PPE in place at national level?	
<input type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

1.2.2. Question	
Q12a: Is your country facing shortages of any of the below mentioned items?	
<input type="checkbox"/>	Ventilators / respirators
<input type="checkbox"/>	Personal protective equipment (Masks, gowns, goggles)
<input type="checkbox"/>	COVID-19 Testing kits
<input type="checkbox"/>	Reagents
<input type="checkbox"/>	Medicines (e.g. paracetamol...)
<input type="checkbox"/>	Disinfectants
<input checked="" type="checkbox"/>	Other
Free text for Option n° 7	
Same as last week	

1.2.3. Question	
Q12b: Is your country planning / conducting national procurement procedures for any of the below mentioned items?	
<input type="checkbox"/>	Ventilators / Respirators
<input type="checkbox"/>	Personal protective equipment (masks, gowns, goggles)
<input type="checkbox"/>	COVID-19 testing kits
<input type="checkbox"/>	Reagents
<input type="checkbox"/>	Medicines (e.g. paracetamol...)
<input type="checkbox"/>	Disinfectants
<input checked="" type="checkbox"/>	Other:
Free text for Option n° 7	
Same as last week.	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.3. Testing strategy

1.3.1. Question

Q13: What testing strategy is currently in place in your country? Testing of...?

<input type="checkbox"/>	Symptomatic but prioritising specific groups (e.g. patients, elderly, vulnerable, HCW)
<input checked="" type="checkbox"/>	All symptomatic people
<input type="checkbox"/>	Asymptomatic within certain groups or settings (e.g. contact tracing, outbreak clusters, healthcare settings, specific professional groups, nursing homes)
<input type="checkbox"/>	All asymptomatic people (mass testing)
<input type="checkbox"/>	Asymptomatic people for epidemiological surveillance
<input type="checkbox"/>	Close contacts
<input checked="" type="checkbox"/>	Please specify:
Free text for Option n° 7	
Same as last week	

1.3.2. Question

Q14: Which approach is used with regards to asymptomatic testing?

The Netherlands has extended the testing policy to everyone who shows COVID-19 related symptoms as from the 1st of June. In week 33 about 109436 people were tested. In week 34 about 138476 people were tested, but this is not the final number yet.

Expected type of value : Text of maximum 1500 characters.

1.3.3. Question

Q15: Are you using / planning to use rapid tests / serological tests?

<input checked="" type="checkbox"/>	Yes, antigen tests
<input type="checkbox"/>	Yes, antibody
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 4	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.3.4. Question	
Q16. If antigen test is used, are results accepted as basis for public health measures (e.g. quarantine)?	
Same as last week	
Expected type of value : Text of maximum 1500 characters.	

1.3.5. Question	
Q17: Do you experience challenges related to the willingness to get tested among the general population or certain population groups?	
Same as last week	
Expected type of value : Text of maximum 1500 characters.	

1.3.6. Question	
Q18: What is the current testing Turn Around Time (TAT: time between the test request and the receipt of test results by the health professional)?	
<input type="checkbox"/>	Within 24 h
<input checked="" type="checkbox"/>	Within 48 h
<input type="checkbox"/>	More than 48 h

1.3.7. Testing of incoming travellers
--

1.3.7.1. Question	
Q19: Is there a testing policy regarding international travellers?	
<input type="checkbox"/>	Travellers are required to show evidence of a negative PCR test result on arrival
<input type="checkbox"/>	Travellers are required to get tested on arrival
<input type="checkbox"/>	Travellers are required to self-quarantine
<input type="checkbox"/>	Following a negative test result, travellers are still required to self-quarantine
<input type="checkbox"/>	Travellers are required to get tested before departure
<input checked="" type="checkbox"/>	Other
Free text for Option n° 6	
Same as last week	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.3.7.2. Question	
Q20: Are there specific testing policies for incoming travellers from high risk countries?	
<input type="checkbox"/>	Yes (if different from question Q1, which relates to travellers from all areas)
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Please specify
Free text for Option n° 3	
Incoming travellers from high risk countries at Amsterdam Schiphol Airport can get tested at the airports' testing facility. However, a negative test result cannot replace the 10-day quarantine measure for travellers from high risk countries	
1.3.7.3. Question	
Q21: Where travellers are required to show evidence of a negative PCR test result on arrival, is the conformity and result (negative) of the test checked on arrival?	
<input type="checkbox"/>	Yes, by airport manager
<input type="checkbox"/>	Yes, by border control authorities
<input type="checkbox"/>	Yes, by health authorities
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Other (please specify)
Free text for Option n° 5	
NA	
1.3.7.4. Question	
Q22: Where travellers are required to get tested on arrival, is testing	
<input type="checkbox"/>	Mandatory
<input type="checkbox"/>	Voluntary
<input checked="" type="checkbox"/>	Carried out at the airport
<input type="checkbox"/>	Testing is paid by the traveller
<input type="checkbox"/>	Testing result is compulsory to exit the airport
<input checked="" type="checkbox"/>	Other (please specify)
Free text for Option n° 6	
Incoming travellers from high risk countries at Amsterdam Schiphol Airport can get tested at the airports' testing facility. However, a negative test result cannot replace the 10-day quarantine measure for travellers from high risk countries. Testing at Amsterdam Schiphol Airport is voluntary	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.3.7.5. Question	
Q23: What is your country's policy for people vacationing abroad and wanting to come back home for quarantine after being identified as close contacts?	
<input type="checkbox"/>	allowed upon evidence of negative test
<input type="checkbox"/>	not allowed
<input type="checkbox"/>	other (please specify)
Free text for Option n° 3	

1.4. Laboratory capacity

1.4.1. Question
Q24: How many laboratories are able to test for COVID-19 and how many tests can be performed per day? Please indicate planned scale up in testing capacity.
Expected type of value : Text of maximum 1500 characters.

1.4.2. Question
Q25: How many RT-PCR tests have you performed weekly since the beginning of the outbreak in your country? Please respond indicating number of tests per calendar week.
Expected type of value : Text of maximum 1500 characters.

1.4.3. Question	
Q26: Has your country identified any particular issues with regards to testing capacity? E.g. shortages in testing kits, difficulties to scale up capacities?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify what issues have been identified and what measures have been implemented to address these gaps
Free text for Option n° 3	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.4.4. Question	
Q27: Has your country identified shortages in lab staff?	
<input type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No
<input type="checkbox"/>	Please specify what measures have been implemented to address these gaps:
Free text for Option n° 3	

1.5. Case management

1.5.1. Question	
Q28: How many Intensive Care Units (ICU) for COVID-19 patients are available in your country?	
Same as last week.	
Expected type of value : Text of maximum 1500 characters.	

1.5.2. Question	
Q29: What % of Intensive Care Units (ICU) are currently occupied with COVID-19 patients?	
39 IC-units are occupied with Covid-19 patients (August 26th).	
Expected type of value : Text of maximum 1500 characters.	

1.5.3. Question	
Q30: How many additional Intensive care beds can you set up as surge capacity?	
Same as last week	
Expected type of value : Text of maximum 1500 characters.	

1.5.4. Question	
Q31: What is your country's strategy to isolation / quarantine of contacts / cases after the lifting of measures?	
Same as last week.	
Expected type of value : Text of maximum 1500 characters.	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.5.5. Question	
Q32: Are you planning to use any unlicensed treatments?	
<input type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No

1.5.6. Question	
Q33: If yes, please specify based on the available data, which class of drugs you would prefer to use.	
<input type="checkbox"/>	Monoclonal antibodies
<input type="checkbox"/>	Interferon
<input type="checkbox"/>	Favipirivir
<input type="checkbox"/>	Polyclonal antibodies
<input type="checkbox"/>	Other. Please specify:
Free text for Option n° 5	

1.5.7. Question	
Q34: Are you running tendering procedures of any of these medicines?	
<input type="checkbox"/>	Monoclonal antibodies
<input type="checkbox"/>	Interferon
<input type="checkbox"/>	Remdesivir
<input type="checkbox"/>	Favipirivir
<input type="checkbox"/>	Polyclonal antibodies
<input type="checkbox"/>	Other. Please specify:
Free text for Option n° 6	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.5.8. Question	
Q35: Has your country identified broader impact on health care provision?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Please specify:
Free text for Option n° 3	
Same as last week	

1.5.9. Question	
Q36: What is your country's approach to ensuring capacities in other non-COVID related healthcare services?	
Expected type of value : Text of maximum 1500 characters.	

1.6. Research

1.6.1. Question	
Q37: Are you including cases in clinical trials?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

1.7. Contact tracing:

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.7.1. Question	
Q38: Does your country have sufficient capacities for extensive contact tracing linked with large scale testing?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Please specify planned scale up of contact tracing capacities:
Free text for Option n° 3	
Testing capacity remains an issue. Especially if we would like to install the corona-app, we need to have sufficient capacity as with the app, you can even get tested without symptoms but with an alert.	

1.7.2. Question	
Q39: Has your country witnessed any particular issues in the context of contact tracing? E.g. difficulties to scale up contact tracing, human resources	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

1.7.3. Question	
Q40: Is your country using / planning to incorporate contact tracing mobile application / tools in your national contact tracing procedure?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Please specify:
Free text for Option n° 3	
We aimed to go live on September 1st, however this will be delayed.	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.7.4. Question	
Q41: Is your country currently developing contact tracing mobile applications / tools?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Please specify:
Free text for Option n° 3	
Same as last week	

2. Questionnaire 2 - Mobility, internal / external borders, tourism, etc.

2.1. Repatriation issues

2.1.1. Question	
Q1: How does your country support repatriation of seafarers from third countries?	
Expected type of value : Text of maximum 1500 characters.	

2.2. Public health and life - non-pharmaceutical countermeasures

2.2.1. Question	
Q2: Is the usage of a mask mandatory in public?	
<input type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No
2.2.2. Question	
Q3: If not, is it recommended?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Please describe the measure (including start and end dates): (max. 500 characters)
Free text for Option n° 3	
Only in public transport and in some public areas (areas in Rotterdam / Amsterdam)	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.2.3. Question	
Q4: Are you requiring physical distancing?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	If yes, please briefly describe the measures in place (if available, indicate start and end dates): (max 500 characters)
Free text for Option n° 3	
Same as last week	

2.2.4. Question	
Q5: In order to ensure a proper coordinated approach between all Member States (and the Commission), are you ready to try to give prior notification through the IPCR of all new and planned measures, particularly the lifting of restrictions having implications for cross border tourism and travel, if possible at least 7 days before they enter into force?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please qualify your answer if relevant: (max 500 characters)
Free text for Option n° 3	

2.3. Travel and borders

2.3.1. Question	
Q6: Do you advise against travel – essential or non-essential – to any risk areas as per national definition?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If yes, please describe the practice, and indicate the start and end date of the measure (if available): (max 500 characters)
Free text for Option n° 3	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.3.2. Question	
Q7: Do you apply restrictions to movement WITHIN your country?	
<input type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No
<input type="checkbox"/>	If yes, please describe the practice, and indicate the start and end date of the measure (if available): (max 500 characters)
Free text for Option n° 3	

2.3.3. Question	
Q8: Do you apply restrictions to travellers departing FROM or entering INTO your country from other EU / EEA Member States?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If yes, please describe which restrictions apply to which countries, on which basis you justify such restrictions taking into account the principle of proportionality and non-discrimination, indicate start and end date of the measure (if available):
Free text for Option n° 3	

2.3.4. Question	
Q9: Do you require a medical certificate or negative test upon entry?	
<input type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No
<input checked="" type="checkbox"/>	If yes, please describe the practice (e.g. type of test / certificate), and indicate the start and end date of the measure (if available): (max 500 characters)
Free text for Option n° 3	
Before every incoming and outgoing flight, passengers are required to fill out a traveller public health declaration, with questions on the travellers health situation over the past 14 days. These forms are handed out by the airline before boarding. Access to the flight can be denied in case a passenger does not fill out the form, or in case health risks are	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.3.5. Question	
Q10: Do you require people entering the country to self-quarantine?	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	If yes, for how long? Please describe the practice, and indicate the start and end date of the measure (if available): (max 500 characters)
Free text for Option n° 3	
Travellers from a region/country to which an orange or red travel advisory applies because of COVID-19 are strongly advised to self-quarantine for 10 days on arrival in the Netherlands. All travellers from countries for which the EU travel ban applies are strongly advised to self-quarantine for 10 days upon arrival in The Netherlands as well. Certain	

2.3.6. Question	
Q11: Do you apply restrictions to third-country nationals coming from outside the EU / EEA?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If yes, please describe the practice, and indicate the start and end date of the measure (if available): (max 500 characters)
Free text for Option n° 3	

2.3.7. Question	
Q12: Have you made or are you planning any other bilateral arrangements with other Member States to permit the restoration of cross border travel and tourism just with them?	
Expected type of value : Text of maximum 1200 characters.	
Explanatory note: Please note that as stated in the Commission's Communication on phased and coordinated approach for restoring freedom of movement and lifting internal border controls, where a Member State decides to allow travel into its territory or to specific regions and areas within its territory, it should do so in a non-discriminatory manner – allowing travel from all regions or countries in the EU with similar epidemiological situations.	

2.4. Tourist services	
2.4.1. Question	
Q13: Do you have or are you planning a website (or other form of information provision) for tourists to inform them of COVID-19 tourism related topics/measures?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.4.2. Question	
Q13a: What is the link? (max 100 characters)	
Expected type of value : Text of maximum 200 characters.	

2.4.3. Question	
Q13b: Is it or going to be available in different languages? If so, which? (max 250 characters)	
Expected type of value : Text of maximum 1500 characters.	

2.4.4. Question	
Q14: Do you have remaining COVID-19 related restrictions on the provision of services applying at national or sub-national / regional level and have you announced a timetable for lifting such restrictions?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

2.4.5. Question	
Q14a: Are non-essential shops (i.e. shops not selling food or medicine) accessible?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 500 characters)
Free text for Option n° 3	

2.4.6. Question	
Q14b: Is tourism accommodation available (hotels, B&B, campsites, short-stay rentals)?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 900 characters)
Free text for Option n° 3	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.4.7. Question	
Q14c: Are restaurants open?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 500 characters)
Free text for Option n° 3	

2.4.8. Question	
Q14d: Are bars and cafes open?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 500 characters)
Free text for Option n° 3	

2.4.9. Question	
Q14e: Are beaches and tourist areas openly accessible?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 500 characters)
Free text for Option n° 3	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.4.10. Question	
Q14f: Are museums and heritage sites open?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 500 characters)
Free text for Option n° 3	

2.4.11. Question	
Q14g: Are places of worship accessible?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 500 characters)
Free text for Option n° 3	

2.4.12. Question	
Q14h: Are personal care services available?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If no, please describe the practice, and indicate the start and end date of the restriction (if available): (max 500 characters)
Free text for Option n° 3	

2.4.13. Question	
Q15: Are there specific health safety protocols for tourism services and tourists in place or planned?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.4.14. Question
Q15a: If yes, please add the link where the protocols are available and indicate the languages in which they are available. (max 1500 characters)
Expected type of value : Text of maximum 1500 characters.

2.4.15. Question
Q15b: If planned, for which date and for which categories of tourism services? (max 1500 characters)
Expected type of value : Text of maximum 1500 characters.

2.4.16. Question
Q16: What measures are you planning to protect tourism workers (e.g. PPE) and will you require them for cross border tourism workers (outgoing and incoming)? Please specify measures by category of tourism service as applicable.
Expected type of value : Text of maximum 1500 characters.

2.4.17. Question
Q17: Are you planning arrangements for “closed door” (i.e. organised coach tours without intermediate pickup) tourism packages for your citizens or incoming tourists?
Expected type of value : Text of maximum 1500 characters.

2.5. Transport
2.5.1. Question
Q18: Do you have or are you planning a website for transport users to inform them of COVID-19 transport related topics (separate from anything planned under Q13)?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.5.2. Question
Q18a: What is the link? (max 100 characters)
Expected type of value : Text of maximum 200 characters.
2.5.3. Question
Q18b: Is it or going to be available in different languages? If so, which? (max 250 characters)
Expected type of value : Text of maximum 1500 characters.
2.5.4. Question
Q19: What measures do you have or are you planning to safeguard the movement of freight throughout the EU to maintain the maximum 15 minutes delay for freight in the Green Lanes at the border if restrictions on private passenger traffic across borders are lifted and you have additional pressures on border crossing points? (max 1500 characters)
Expected type of value : Text of maximum 1500 characters.
2.5.5. Question
Q20: Above and beyond any general requirements for entry and exit (see questions on travel and borders), what restrictions do you have in place for passengers planning to cross borders (internal or external) on the following modes of transport, to/from all or specific countries (if so, which countries?), and what plans do you have for lifting them, e.g. in stages/phases? Please specify for each case (and sub-mode, if there is other relevant information, e.g. "business aviation").
Expected type of value : Text of maximum 1500 characters.
2.5.6. Question
Q20a: Car or motorcycle: (max 900 characters)
Expected type of value : Text of maximum 1200 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.5.7. Question
Q20b: Train: (max 900 characters)
Expected type of value : Text of maximum 1200 characters.
2.5.8. Question
Q20c: Bus and coach: (max 900 characters)
Expected type of value : Text of maximum 1200 characters.
2.5.9. Question
Q20d: Waterborne: (max 900 characters)
Expected type of value : Text of maximum 1200 characters.
2.5.10. Question
Q20e: Plane: (max 900 characters)
Expected type of value : Text of maximum 1200 characters.
2.5.11. Question
Q20f: Other: (max 900 characters)
Expected type of value : Text of maximum 1200 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.5.12. Question	
Q21: Do you plan any particular measures for passengers transiting your country?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If yes, please specify: (max 500 characters)
Free text for Option n° 3	
2.5.13. Question	
Q22: Do you have any continued controls on movement of essential workers, such as transport workers (please specify), and what plans do you have to lift such controls? (max 900 characters)	
Expected type of value : Text of maximum 1500 characters.	
2.5.14. Question	
Q23: What measures are you planning to protect transport workers (e.g. PPE) and will you require them for cross border transport workers (outgoing and incoming)? Please specify measures by transport mode as necessary. (max 900 characters)	
Expected type of value : Text of maximum 1500 characters.	
2.5.15. Question	
Q24: How do you ensure the issuing / extending of short stay visas to essential workers from non-EU countries pending the full resumption of full operations in your consulates abroad? (max 900 characters)	
Expected type of value : Text of maximum 1500 characters.	
2.5.16. Question	
Q25: What measures are in place to protect passengers on all collective forms of transport? (recommendations 28-36 and 41 of the COVID-19: Guidelines on the progressive restoration of transport services and connectivity (please specify, if possible with start and end dates) (max 900 characters)	
Expected type of value : Text of maximum 1500 characters.	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.5.17. Question	
Q26: Are you planning or do you plan to provide incentives (e.g. lump sums, loans, scrapping schemes) for the purchase or upgrade of transport means? (e.g. to safer and more sustainable transport options in light of COVID-19?)	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If yes, please specify: (max 500 characters)
Free text for Option n° 3	

2.5.18. Question	
Q27: Are you developing/implementing new technology solutions and/or other innovative measures at borders to address public health risks associated with movement of people across borders?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	If yes, please specify:
Free text for Option n° 3	

2.5.19. Question	
Q28: Are you planning to offer incentives/assistance to transport operators to enable them to adhere to public health guidelines and/or to adapt their services to new guidelines? (max 900 characters)	
Expected type of value : Text of maximum 1500 characters.	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

Q29: The Communication on Tourism and Transport sets out that the Commission's Joint Research Centre and the ECDC, in cooperation with Member States, will continuously maintain a map of the level of Covid-19 transmission at sub-national level. What is the method that you prefer to communicate the level of transmission at subnational level (Rti) for your regions or provinces?	
<input type="checkbox"/>	a) Excel file via e-mail
<input type="checkbox"/>	b) Json file via e-mail
<input type="checkbox"/>	c) Excel file uploaded to a site
<input type="checkbox"/>	d) Json file uploaded to a site
<input type="checkbox"/>	e) Compilation of a web form online
<input type="checkbox"/>	f) Other (please specify):
Free text for Option n° 6	
Explanatory note: This question will not be needed after the map is launched.	

2.5.21. Question
Q30: Is there any other information or other measures you wish to include? (max 900 characters)
Expected type of value : Text of maximum 1500 characters.

2.6. Difficulties with internal or external border restriction concerning the transport of goods

2.6.1. Question
Q31: Has your country experienced difficulties with clearance of goods at external borders (notably medicine, PPE)?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
<input type="checkbox"/> Please specify:
Free text for Option n° 3

2.7. Aviation

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.7.1. Question	
Q32: Do you provide aviation sector access to short time work scheme; salary support scheme; temporary unemployment scheme?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

2.7.2. Question	
Q33: Do you provide loans or loan guarantees to aviation sector?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

2.7.3. Question	
Q34: What other support or aid is available to aviation sector?	
Expected type of value : Text of maximum 1500 characters.	

2.8. Waterborne transport

2.8.1. Question	
Q35: Do you allow passengers and crews to disembark of cruise ships and do you ensure their repatriation for non-EU citizens?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

2.8.2. Question	
Q36: Do you allow crew to disembark and embark in your sea and inland ports in order to ensure the seagoing and the inland ship to continue his journey?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.8.3. Question	
Q37: Do you allow EU and non-EU seagoing and inland crew to enter your country to embark on a ship in one of your port?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

2.8.4. Question	
Q38: Do you provide the maritime transport sector and/or inland navigation sector access to short time work scheme; salary support scheme; temporary unemployment scheme?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

2.8.5. Question	
Q39: Do you provide loans or loan guarantees to the maritime transport sector and/or Inland Navigation sector?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

2.8.6. Question	
Q40: What other support or aid is available to the maritime transport sector and/or inland navigation sector?	
Expected type of value : Text of maximum 1500 characters.	

3. Questionnaire 3 - Socio-economy

3.1. Socio-economy

3.1.1. Question	
Q1: Are there any activities in place to monitor / model economic / social impacts? How are these included in the exit strategy?	
Expected type of value : Text of maximum 1500 characters.	

3.2. Sectors and supply chains most affected (e.g. aviation, tourism, agriculture)

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

3.2.1. Question
Q2: Has your country noted drops in production? In which sectors? How has it impacted supply chains?
Expected type of value : Text of maximum 1500 characters.
3.2.2. Question
Q3: Has your country noted drops in demand? In which sectors?
Expected type of value : Text of maximum 1500 characters.
3.2.3. Question
Q4: Has your country noted effects on exports? In which sectors?
Expected type of value : Text of maximum 1500 characters.
3.2.4. Question
Q5: Can your country report on downsizing of operations (or even ceasing of activity)? In this respect, please provide information you might have available on e.g.: 1) The way businesses are affected by the outbreak. 2) Consequent measures possibly undertaken in terms of employment and the number of workers affected. 3) Sectors concerned and/or specific example.
Expected type of value : Text of maximum 1500 characters.
3.2.5. Question
Q6: If any sector have reported any disruption or risk of disruption of its supply chain (intra-EU or extra-EU supply chains), could you please share with us this information? In which sectors are these disruptions still severe now? In this respect, please provide information you might have available on: 1) Shortages of raw materials and other key input for internal production chains. 2) Current dependency on extra-EU suppliers for raw materials and key input.
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

3.2.6. Question
Q7: For the particular case of the supply of personal protective equipment: what is the situation in your country? Which are the measures that have been implemented to facilitate and encourage the production?
Expected type of value : Text of maximum 1500 characters.

3.2.7. Question
Q8: Which are the biggest issues that companies, that are now restarting their activities, are facing in your country?
Expected type of value : Text of maximum 1500 characters.

3.3. Measures taken to counter the downturn (fiscal, state aid...)

3.3.1. Question
Q9: In general, what measures (e.g. ta-related measures such as tax administration or tax deferrals, borrower- and lender-based measures in the financial sector, labour market measures such as employment subsidies and/or short-term working arrangements, state aid) have been taken to counter the downturn of this crisis?
Expected type of value : Text of maximum 1500 characters.

Q10: What measures (e.g. public capital investment or human capital (skills and training) investment, subsidies/support to Businesses) are planned and/or have already been implemented to sustain the recovery of the economy to lift up the economy once the crisis is over?
Expected type of value : Text of maximum 1500 characters.

3.4. Estimate of the impact

3.4.1. Question
Q11: What is the estimated impact on annual growth?
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

3.4.2. Question
Q12: What is the estimated impact on national labour market?
Expected type of value : Text of maximum 1500 characters.

3.4.3. Question
Q:13: If still relevant, what is the impact on and measures related to temporary / seasonal EU workers working in other MS?
Expected type of value : Text of maximum 1500 characters.

3.4.4. Question
Q14: What is the outlook of impact on agricultures and other critical sectors (power, security), including business continuity for critical infrastructure (e.g. power utilities, in particular nuclear power plants)?
Expected type of value : Text of maximum 1500 characters.

3.4.5. Question
Q15: Has your country faced or expects challenges with essential services such as Internet provision?
Expected type of value : Text of maximum 1500 characters.

3.5. Support to SME

3.5.1. Question
Q16: To support SMEs, has your country implemented financial guarantees for businesses?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
<input type="checkbox"/> Please specify:
Free text for Option n° 3

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

3.5.2. Question	
Q17: To support SMEs, has your country implemented grants and financial transfers to businesses including wage subsidies?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

3.5.3. Question	
Q18: To support SMEs, what national measures have been implemented with regards to loans?	
Expected type of value : Text of maximum 1500 characters.	

3.5.4. Question	
Q19: To support SMEs, what national measures have been implemented with regards to administrative burden reduction / simplification, e.g. tax deferrals?	
Expected type of value : Text of maximum 1500 characters.	

3.5.5. Question	
Q20: To support SMEs, what national measures have been implemented with regards to equity-support measures, especially for start-ups and scale-ups?	
Expected type of value : Text of maximum 1500 characters.	

3.5.6. Question	
Q21: To what extent the above measures also apply for businesses more broadly and/or larger companies?	
Expected type of value : Text of maximum 1500 characters.	

4. Questionnaire 4: Additional questions on second wave
--

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

4.1. Question	
Q1: How is your country coordinating with EU Member States and other countries?	
<input checked="" type="checkbox"/>	EU level coordination (IPCR, HSC)
<input checked="" type="checkbox"/>	Coordination at bilateral level / with neighbouring countries
4.2. Question	
Q2: What is your country's strategy for potential second-wave / re-escalation?	
Same as last week.	
Expected type of value : Text of maximum 1500 characters.	
4.3. Question	
Q3: Has your country identified major issues and associated impact caused by differences in the timing or extent of de-escalation / re-escalation measures taken across the EU/EEA and UK?	
Same as last week.	
Expected type of value : Text of maximum 1500 characters.	
4.4. Question	
Q4: Has your country been facing problems with enforcement of or adherence to control measures?	
<input type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No
<input type="checkbox"/>	Please clarify, e.g., increased number of tourists, repeated mass gatherings, opening hours, social distancing, personal protection, mask wearing, other
Free text for Option n° 3	
4.5. Question	
Q5: Has your country witnessed any gaps in preparedness?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify
Free text for Option n° 3	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

4.6. Question	
Q6: Does your country have contingency plans for next waves? E.g., contingency plans in schools etc.	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input checked="" type="checkbox"/>	Please specify
Free text for Option n° 3	
This plan will be published to the Parliament beginning of September.	

4.7. Question	
Q7: Has your country identified any needs for guidelines? If yes, in which area?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify
Free text for Option n° 3	

5. Questionnaire 5 - Other issues

5.1. Disinformation

5.1.1. Question	
Q1: Has you country witnessed increased and organized disinformation activities in the media / online?	
<input type="checkbox"/>	Yes

<input type="checkbox"/>	Please specify which type of behavior is at stake:
Free text for Option n° 3	

5.1.2. Question	
Q2: What strategy is in place at national level to combat disinformation?	
Expected type of value : Text of maximum 1500 characters.	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

5.2. Cyber attacks

5.2.1. Question

Q3: Has your country noted cyber-attacks in the context of COVID-19?

Yes

No

Please detail the event and the response:

Free text for Option n° 3

5.2.2. Question

Q4: Has your country noted any other substantial cyber-incidents related to COVID-19?

Yes

No

Please detail the event and the response:

Free text for Option n° 3

5.3. Questions in relation to European Citizens Initiatives – COVID-19 extension of collection periods of initiatives

5.3.1. Question

Q5: Does your country apply COVID-19 containment measures within your country? COVID-19 containment (also referred to as confinement) measures refer here to a set of measures that prohibit citizens from moving around freely

YES

NO

NO, but with exceptions at local/regional level; please provide the approximate percentage of the country's population affected...%

Free text for Option n° 3

Explanatory note: Due to the COVID-19 pandemic, organisers of citizens' initiatives find it difficult to collect paper statements of support and to do local campaigning. Under Regulation (EU) 2020/1042, the Commission, therefore, is allowed to (further) extend the collection periods under specific conditions.

To allow the Commission to assess if an extension is justified, Member States shall inform the Commission on the measures that they apply in response to the COVID-19 pandemic or a new outbreak.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

5.3.2. Question	
Q6: If and to what extent are public spaces (including parks and other recreational spaces, public service institutions, shopping areas and market places) open to the public?	
<input type="checkbox"/>	Fully open
<input checked="" type="checkbox"/>	Partially open
<input type="checkbox"/>	Closed
Free text for Option n° 3
