Dear [5.1.2e]

Please find attached the confidential document with the analyses that guided the decision to shorten the quarantine period. Please do not distribute it any further.

As discussed, it is in Dutch, but google translate will hopefully do a good job.

If you have any further questions, please let us know.

Kind regards,

[5.1.2e]

Dear [5.1.2e]

it worked. We received both of your e-mails.

As discussed on the phone, we would be happy if you have more information on the quarantine in the Netherland.

Thank you very much!
