We vragen LCH om te bezien en geven groen licht om te bestellen als dat wenselijk blijkt. Jou dus wel? Kun je aantal geven?

Dear [5.1.2e]

It was a pleasure to be in touch with you today.

To summarize our conversation and in addition to the docs that you received, you could see below key points regarding our Panbio Rapid tests :

- The product is CE marked, and it is available now. For Europe, we will have [5.1.1c] tests available next week, and should receive more to respond to a very high demand.
- Worldwide pricing : We want to propose an accurate, safe and easy to use rapid test, we'll sell it for just [5.1.1c] a test so around [5.1.1c]
- Sample : Nasopharyngeal swabs

- Performance : The test provide very good performance for symptomatic patient between 0 and 7 days.
- Storage : room temperature
- Buffer component : Tricine, Sodium Chloride, Tween 20, Sodium Azide (<0,1%), Prodin 300 (You could find this in information in the Package insert)
- Evaluation : Attached, our recommendations to evaluate the product. If you want to evaluate locally the product, I need to receive a letter signed from government with quantities requested. I supposed that It will be easy to manage next week.

Please, feel free to ask me any questions.

Best regards

Hi 5.1.2e

Attached, some documentation regarding our Rapid test for Panbio Ag Covid Testing.

This test is very similar to the Binax product. Binax will be only available for US, Panbio for OUS.

The test is CE marked and could be available for Netherlands.

My colleague 5.1.2e will give you a call as well.

Regards

5.1.2e
