Executive Summary

Key Deliverables:

- Current census of ICU tent is 0.
- SMMC wants to incorporate AMI staff into their shifts.

Risks & Issues:

- None

Progress:

- Clinical staffing capabilities matrix completed and sent over to SMMC. Met with (10)(2e) and the patient care team to discuss and implemented the suggested changes.
- Staff Emergency Management Plan and tent All Hazards Plan have been moved back into active status as the request by SMMC to integrate them with their plan increases the scope of the document.
- EMS System disaster response plan reviewed and sent back to SMX EMS. A follow up meeting scheduled for next week.

Next Actions:

- Staffing of COVID ICU tent X3.
- Continued EMS system support.
- Continuing EMS education activities
- Continuing Case Manager Community Engagement.
