## IPCR - Contributions to ISAA report no.16 on COVID-19 - Questions

### 1. Questionnaire 1 - Public health

#### 1.1. Epidemiology

##### 1.1.1. Question

Q1: Please indicate your nationally estimated basic reproduction number (R0).

The current nationally estimated basic reproduction number (R0) is estimated to be (just) below 1.0.

Expected type of value : Text of maximum 1500 characters.

##### 1.1.2. Question

Q2: Please indicate your national estimated relative contribution of reduction of reproduction (R) and/or contact rate by measure (if known).

Contact rates have been reduced by 64-75% following the implementation of measures (such as social distancing, e.g.: 1.5 meter distancing, teleworking etc).

Expected type of value : Text of maximum 1500 characters.

##### 1.1.3. Question

Q3: Please indicate the % of symptomatic vs asymptomatic.

It is problematic to differentiate between symptomatic and asymptomatic patients. In the Netherlands, at this stage not all symptomatic patients are recorded or tested for COVID-19.

Expected type of value : Text of maximum 1500 characters.

##### 1.1.4. Question

Q4: Please indicate the % of symptomatic requiring hospitalization.

42.627 individuals have tested positively for COVID-19  
11.307 individuals been hospitalized since the outbreak.  
Thus, ± 27% of (tested) symptomatic individuals required hospitalization

Expected type of value : Text of maximum 1500 characters.

##### 1.1.5. Question

Q5: Please indicate the % of hospitalized requiring intensive / critical care.

42.627 individuals have tested positively for COVID-19  
11.307 individuals been hospitalized since the outbreak.  
2.860 individuals required intensive care for COVID-19

Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.1.6. Question</b>
Q6: Please indicate the infection fatality rate.
13.0% of notified cases were reported to have died (based on data up to May 10). This is however an overestimate, while the denominator of all infected people is not known.
Expected type of value : Text of maximum 1500 characters.
<b>1.1.7. Question</b>
Q7: Please indicate the prevalence of symptomatic cases.
Denominator is lacking
Expected type of value : Text of maximum 1500 characters.
<b>1.1.8. Question</b>
Q8: Please indicate the attack rate.
This is not known because denominator is not known
Expected type of value : Text of maximum 1500 characters.
<b>1.1.9. Question</b>
Q9: Please indicate, if available, the % of immunity achieved.
Serological testing shows that 3% of the population in The Netherlands has developed antibodies to the virus (april 2020).
Expected type of value : Text of maximum 1500 characters.
<b>1.1.10. Question</b>
Q10: Please indicate what values should the parameters above have, as criteria for exit strategy?
$R < 1$ .
Expected type of value : Text of maximum 1500 characters.
<b>1.2. Resources shortfalls in response</b>

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.2.1. Question</b>	
Q11: Is your country facing resources shortfalls of medical staff?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

<b>1.2.2. Question</b>	
Q12: Have you implemented measures to fill this gap? (e.g. medical students involvement, international cooperation, volunteering)	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

<b>1.2.3. Question</b>	
Q13: Has your country identified shortages of the following items?	
<input type="checkbox"/>	Ventilators / respirators
<input type="checkbox"/>	Personal protective equipment (masks, gowns, goggles)
<input type="checkbox"/>	COVID-19 testing kits
<input type="checkbox"/>	Reagents
<input type="checkbox"/>	Medicines (e.g. paracetamol...)
<input type="checkbox"/>	Disinfectants
<input type="checkbox"/>	Other
<input type="checkbox"/>	Please specify types and quantities:
Free text for Option n° 8	

<b>1.3. National stockpile</b>
--------------------------------

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.3.1. Question</b>	
Q14: Is a stockpile of PPE in place at national level?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

#### 1.4. National procurement to address gaps

<b>1.4.1. Question</b>	
Q15: Is your country planning/conducting national procurement procedures for any of the mentioned items? Please	
<input type="checkbox"/>	Ventilators/ respirators
<input type="checkbox"/>	Personal protective equipment (masks, gowns, goggles)
<input type="checkbox"/>	Covid-19 testing kits
<input type="checkbox"/>	Reagents
<input type="checkbox"/>	Medicines (e.g. paracetamol...)
<input type="checkbox"/>	Disinfectants
<input type="checkbox"/>	Other (please specify)
Free text for Option n° 7	

#### 1.5. Testing strategy

<b>1.5.1. Question</b>	
Q16: What testing strategy is currently in place in your country? Testing of...?	
<input type="checkbox"/>	Symptomatic patients
<input type="checkbox"/>	Asymptomatic
<input type="checkbox"/>	Specific groups (e.g. age / medical condition)
<input type="checkbox"/>	Please specify:
Free text for Option n° 4	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.5.2. Question</b>
Q17: What testing strategy is planned for the future as part of the exit strategy?
Expected type of value : Text of maximum 1500 characters.

<b>1.5.3. Question</b>
Q18: Are you using / planning to use rapid tests / serological tests?
<input type="checkbox"/> Yes, antigen tests
<input type="checkbox"/> Yes, antibody tests
<input type="checkbox"/> No
<input type="checkbox"/> Please specify:
Free text for Option n° 4

<b>1.6. Laboratory capacity</b>
---------------------------------

<b>1.6.1. Question</b>
Q19: How many laboratories are able to test for COVID-19 and how many tests can be performed per day? Please indicate planned scale up in testing capacity.
Expected type of value : Text of maximum 1500 characters.

<b>1.6.2. Question</b>
Q20: How many RT-PCR tests have you performed weekly since the beginning of the outbreak in your country? Please respond indicating number of tests per calendar week.
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.6.3. Question</b>	
Q21: Has your country identified shortages in lab staff?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

### 1.7. Case management

<b>1.7.1. Question</b>
Q22: How many Intensive Care Units for COVID-19 patients are available in your country?
Expected type of value : Text of maximum 1500 characters.

<b>1.7.2. Question</b>
Q23: What % of Intensive Care Units are currently occupied with COVID-19 patients?
Expected type of value : Text of maximum 1500 characters.

<b>1.7.3. Question</b>
Q24: How many additional Intensive care beds can you set up as surge capacity?
Expected type of value : Text of maximum 1500 characters.

<b>1.7.4. Question</b>
Q25: How many acute care beds for COVID-19 patients are available in your country?
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.7.5. Question</b>	
Q26: What % of acute care beds designated to COVID-19 patients are currently occupied?	
Expected type of value : Text of maximum 1500 characters.	
<b>1.7.6. Question</b>	
Q27: How many additional acute care beds can you set up as surge capacity?	
Expected type of value : Text of maximum 1500 characters.	
<b>1.7.7. Question</b>	
Q 28: What is your country's strategy to isolation/quarantine of contacts/cases after the lifting of measures?	
Expected type of value : Text of maximum 1500 characters.	
<b>1.7.8. Question</b>	
Q29: Are you planning to use any unlicensed treatments?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<b>1.7.9. Question</b>	
Q30: If yes, please specify, based on the available data, which class of drugs would you prefer to use.	
<input type="checkbox"/>	Monoclonal antibodies
<input type="checkbox"/>	Kaletra (Lopinavir / Ritonavir)
<input type="checkbox"/>	MIRACLE protocol (Kaletra + interferon beta 1b)
<input type="checkbox"/>	Remdesivir
<input type="checkbox"/>	Favipirivir
<input type="checkbox"/>	Polyclonal antibodies
<input type="checkbox"/>	Other. Please specify:
Free text for Option n° 7	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.7.10. Question</b>	
Q31: Are you running tendering procedures of any of these medicines?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

<b>1.7.11. Question</b>	
Q32: Has your country identified broader impact on health care provision?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

<b>1.7.12. Question</b>	
Q33 What is your country's approach to ensuring capacities in other non-COVID related healthcare services?	
Expected type of value : Text of maximum 1500 characters.	

<b>1.8. Non-pharma measures</b>	
<b>1.8.1. Question</b>	
Q34: Did your country implement national isolation (including school closure, movement restrictions, etc.)	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify estimated initial lifting date measure
Free text for Option n° 3	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.8.2. Question</b>	
Q35: What generic community measures have been implemented in your country?	
<input type="checkbox"/>	Old people's homes restrictions
<input type="checkbox"/>	Internal movement restrictions
<input type="checkbox"/>	Stay at home requirements
<input type="checkbox"/>	Hospital restrictions
<input type="checkbox"/>	Physical distancing (e.g. 1 m)
<input type="checkbox"/>	Others
<input type="checkbox"/>	Please specify the measures currently in place and the planned timeline for lifting these measures as part of the exit strategy:
Free text for Option n° 7	
<b>1.8.3. Question</b>	
Q36: What community measures have been implemented in your country with regard to education?	
<input type="checkbox"/>	Closure of education establishment
<input type="checkbox"/>	Please specify the type of measures (e.g. postponement, cancellation) and the planned timeline for lifting these measures as part of the exit strategy:
Free text for Option n° 2	
<b>1.8.4. Question</b>	
Q37: What community measures have been implemented in your country with regards to public places?	
<input type="checkbox"/>	Courts and administrative institutions
<input type="checkbox"/>	Restaurants / bars
<input type="checkbox"/>	Shopping malls
<input type="checkbox"/>	Gyms, sport centres, wellness, spas, social and cultural centres (libraries)
<input type="checkbox"/>	Theatres, cinemas
<input type="checkbox"/>	Please specify the type of measures (e.g. closure) and the planned timeline for lifting these measures as part of the exit strategy:
Free text for Option n° 6	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

1.8.5. Question	
Q38: What community measures have been implemented in your country with regards to mass gatherings?	
<input type="checkbox"/>	Sporting events measures
<input type="checkbox"/>	Religious gatherings measures
<input type="checkbox"/>	Concerts / festivals measures
<input type="checkbox"/>	Other mass gatherings
<input type="checkbox"/>	Please specify the type of measures (e.g. cancellation, postponement, mass gatherings above X people) and the planned timeline for lifting these measures as part of the exit strategy:
Free text for Option n° 5	

1.8.6. Question	
Q39: What community measures have been implemented in your country with regards to employment?	
<input type="checkbox"/>	Workplace / employment measures and restrictions, including teleworking
<input type="checkbox"/>	Please specify the type of measures and the planned timeline for lifting these measures as part of the exit strategy:
Free text for Option n° 2	

1.8.7. Question	
Q40: If applicable, what is the planned timeline for lifting measures with regards to public transport?	
Expected type of value : Text of maximum 1500 characters.	

1.8.8. Question	
Q41: How does your country monitor the impact / effectiveness of specific de-escalation measures to control the outbreak?	
Expected type of value : Text of maximum 1500 characters.	

1.9. Research	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.9.1. Question</b>	
Q42: Are you including cases in clinical trials?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

<b>1.10. Contact tracing:</b>
-------------------------------

<b>1.10.1. Question</b>	
Q43: Does your country have sufficient resources for extensive contact tracing linked with large scale testing?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify planned scale up of contact tracing capacities:
Free text for Option n° 3	

<b>1.10.2. Question</b>	
Q44: Is your country planning to incorporate contact tracing mobile applications / tools in your national contact tracing procedure?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>1.10.3. Question</b>	
Q45: Is your country currently developing contact tracing mobile applications/tools?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

## 2. Questionnaire 2 - Mobility, internal/external borders, travel restriction, consular etc.

### 2.1. Repatriation issues

<b>2.1.1. Question</b>	
Q1: Please provide an estimate on the number of your citizens stranded in third countries that still require repatriation.	
Expected type of value : Text of maximum 1500 characters.	

<b>2.1.2. Question</b>	
Q2: Please provide an update on repatriation of EU citizens and issues that arose.	
Expected type of value : Text of maximum 1500 characters.	

### 2.2. Progress on Green Lanes

<b>2.2.1. Question</b>	
Q3: Have all the border crossing points indicated in the green lanes communication been able to ensure transit times of less than 15 minutes?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>2.2.2. Question</b>
Q4: If not, what measures have been taken to improve the situation?
Expected type of value : Text of maximum 1500 characters.

<b>2.2.3. Question</b>
Q5: In the light of the clear guidance in the Com's green lanes border management, C(2020) 1897, point 20, to waive mandatory quarantine of transport workers not displaying symptoms, what facilitating measures have your national health authorities taken to keep transport flowing along the main European network? How had the guidance been reflected in your national measures?
Expected type of value : Text of maximum 1500 characters.

<b>2.3. Difficulties with internal or external border restriction concerning the transport of goods, trans-border workforce</b>
---

<b>2.3.1. Question</b>
Q6: Has your country experienced difficulties with clearance of goods at external borders?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
<input type="checkbox"/> Please specify:
Free text for Option n° 3

<b>2.3.2. Question</b>
Q7: If concerned, how do you justify generalised border closures / controls, which violate the EU Treaty provisions?
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>2.3.3. Question</b>
Q8: If concerned, how long do you intend to upkeep generalised border closures/border controls and, if they are notable to indicate a date, what precise conditions have to be met for borders to be reopened again/border controls to be removed again?
Expected type of value : Text of maximum 1500 characters.

#### 2.4. Challenges with implementation of a temporary restriction on non-essential travel to the EU

<b>2.4.1. Question</b>
Q9: Do you advise against travel – essential or non-essential – to any risk areas as per national definition?
Expected type of value : Text of maximum 1500 characters.

<b>2.4.2. Question</b>
Q10: What is the planned timeline for lifting travel bans / restrictions as part of the exit strategy?
Expected type of value : Text of maximum 1500 characters.

<b>2.4.3. Question</b>
Q11: What challenges has your country faced with the implementation of a temporary restriction on non-essential travel to the EU?
Expected type of value : Text of maximum 1500 characters.

<b>2.4.4. Question</b>
Q12: If relevant, what is the planned timeline for opening borders as part of the exit strategy?
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

2.4.5. Question	
Q13: Is your country planning to quarantine incoming travellers once the borders are open and travelling is resumed?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

## 2.5. Aviation

2.5.1. Question	
Q14: Do you provide aviation sector access to short time work scheme; salary support scheme; temporary unemployment scheme?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify:
Free text for Option n° 3	

2.5.2. Question	
Q15: Do you provide loans or loan guarantees to aviation sector?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

2.5.3. Question	
Q16: What other support or aid is available to aviation sector?	
Expected type of value : Text of maximum 1500 characters.	

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>2.5.4. Question</b>
Q17: If you still ban certain flights, why do you feel flight restrictions are still needed now that you have travel and sanitary restrictions on people in place?
Expected type of value : Text of maximum 1500 characters.

## 2.6. Waterborne transport

<b>2.6.1. Question</b>
Q18: Do you allow passengers and crews to disembark of cruise ships and do you ensure their repatriation for non-EU citizens?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

<b>2.6.2. Question</b>
Q19: Do you allow crew to disembark and embark in your sea and inland ports in order to ensure the seagoing and the inland ship to continue his journey?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

<b>2.6.3. Question</b>
Q20: Do you allow EU and non-EU seagoing and inland crew to enter your country to embark on a ship in one of your port?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

<b>2.6.4. Question</b>
Q21: Do you provide the maritime transport sector and/or inland navigation sector access to short time work scheme; salary support scheme; temporary unemployment scheme?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

<b>2.6.5. Question</b>
Q22: Do you provide loans or loan guarantees to the maritime transport sector and/or Inland Navigation sector?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>2.6.6. Question</b>
Q23: What other support or aid is available to the maritime transport sector and/or inland navigation sector?
Expected type of value : Text of maximum 1500 characters.

### 3. Questionnaire 3 - Socio-economy

#### 3.1. Socio-economy

<b>3.1.1. Question</b>
Q1: Are there any activities in place to monitor / model economic/social impacts? How are these included in the exit strategy?
Expected type of value : Text of maximum 1500 characters.

#### 3.2. Sectors and supply chains most affected (e.g. aviation, tourism, agriculture)

<b>3.2.1. Question</b>
Q2: Has your country noted drops in production? In which sectors?
Expected type of value : Text of maximum 1500 characters.

<b>3.2.2. Question</b>
Q3: Has your country noted drops in demand? In which sectors?
Expected type of value : Text of maximum 1500 characters.

<b>3.2.3. Question</b>
Q4: Has your country noted effects on exports? In which sectors?
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>3.2.4. Question</b>
Q5: Has your country noted risks of trade diversion in certain sectors given the lower demand in China (other countries selling their products to the EU)?
Expected type of value : Text of maximum 1500 characters.
<b>3.2.5. Question</b>
Q6: Can your country report on downsizing of operations (or even ceasing of activity)? In this respect, please provide information you might have available on e.g.: 1) The way businesses are affected by the outbreak. 2) Measures possibly undertaken in terms of employment. 3) Sectors concerned and/or specific example.
Expected type of value : Text of maximum 1500 characters.
<b>3.2.6. Question</b>
Q7: If any sector have reported any disruption or risk of disruption of its supply chain (intra-EU or extra-EU supply chains), could you please share with us this information?
Expected type of value : Text of maximum 1500 characters.
<b>3.2.7. Question</b>
Q8: For the particular case of the supply of personal protective equipment: what is the situation in your country? Is there any production capacity? If so, are there any measures you envisage to facilitate production?
Expected type of value : Text of maximum 1500 characters.
<b>3.2.8. Question</b>
Q9: Has your country undertaken any economic measures specific for transport? Why and which measures?
Expected type of value : Text of maximum 1500 characters.
<b>3.3. Measures taken to counter the downturn (fiscal, state aid,...)</b>

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>3.3.1. Question</b>
Q10: In general, what measures have been taken to counter the downturn of this crisis?
Expected type of value : Text of maximum 1500 characters.
<b>3.3.2. Question</b>
Q11: What measures are planned to lift up the economy once the crisis is over?
Expected type of value : Text of maximum 1500 characters.
<b>3.3.3. Question</b>
Q12: What is the estimated impact on annual growth?
Expected type of value : Text of maximum 1500 characters.
<b>3.3.4. Question</b>
Q13: What is the estimated impact on national labour market?
Expected type of value : Text of maximum 1500 characters.
<b>3.3.5. Question</b>
Q14: What is the impact on and measures related to temporary / seasonal EU workers working in other MS?
Expected type of value : Text of maximum 1500 characters.
<b>3.3.6. Question</b>
Q15: Please indicate what shortages you have noted on raw and other materials for internal production chains.
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>3.3.7. Question</b>
Q16: What is the outlook of impact on agricultures and other critical sectors (power, security), including business continuity for critical infrastructure (e.g. power utilities, in particular nuclear power plants)?
Expected type of value : Text of maximum 1500 characters.

<b>3.4. Support to SME</b>
----------------------------

<b>3.4.1. Question</b>
Q17: To support SMEs, has your country implemented financial guarantees for businesses?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
<input type="checkbox"/> Please specify:
Free text for Option n° 3

<b>3.4.2. Question</b>
Q18: To support SMEs, has your country implemented grants and financial transfers to businesses including wage subsidies?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
<input type="checkbox"/> Please specify:
Free text for Option n° 3

<b>3.4.3. Question</b>
Q19: To support SMEs, what national measures have been implemented with regards to loans?
Expected type of value : Text of maximum 1500 characters.

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>3.4.4. Question</b>
Q20: To support SMEs, what national measures have been implemented with regards to administrative burden reduction / simplification, e.g. tax deferrals?
Expected type of value : Text of maximum 1500 characters.

<b>3.4.5. Question</b>
Q21: To support SMEs, what national measures have been implemented with regards to equity-support measures, especially for start-ups and scale-ups?
Expected type of value : Text of maximum 1500 characters.

#### 4. Questionnaire 4: Additional questions on exit strategy

<b>4.1. Question</b>
Q1: How is your country coordinating with EU Member States and other countries as part of the exit strategy?
Expected type of value : Text of maximum 1500 characters.

<b>4.2. Question</b>
Q2: What is your country's strategy for potential second-wave / re-escalation?
Expected type of value : Text of maximum 1500 characters.

<b>4.3. Question</b>
Q3: What are the communication measures of your country's exit strategy?
Expected type of value : Text of maximum 1500 characters.

#### 5. Questionnaire 5 - Other issues

<b>5.1. Disinformation</b>
----------------------------

Please save this file to your device before filling it in. Otherwise, the inserted information can be lost.

<b>5.1.1. Question</b>	
Q1: Has your country witnessed increased and organized disinformation activities in the media / online?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please specify which type of behavior is at stake:
Free text for Option n° 3	

<b>5.1.2. Question</b>	
Q2: What strategy is in place at national level to combat disinformation?	
Expected type of value : Text of maximum 1500 characters.	

<b>5.2. Cyber attacks</b>
---------------------------

<b>5.2.1. Question</b>	
Q3: Has your country noted cyber-attacks in the context of COVID-19?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please detail the event and the response:
Free text for Option n° 3	

<b>5.2.2. Question</b>	
Q4: Has your country noted any other substantial cyber-incidents related to COVID-19?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
<input type="checkbox"/>	Please detail the event and the response:
Free text for Option n° 3
