Onderwerp: Invitation to scientific meeting with Moderna

Dear (10)(2e)

I hope this finds you well.

I am pleased to extend the attached invitation to you for a meeting at your convenience as we reach a number of crucial milestones in the development of our vaccine candidate mRNA-1273 furthering our goal of bringing mRNA technology to the benefit of European and global citizens in the fight against COVID-19.

I would like to offer our availability to meet with you and your team, to share insights into the science and data behind mRNA-1273, hear your views and answer any questions you may have regarding the role our vaccine candidate could play in a portfolio of solutions to address the current crisis.

The Moderna team and I very much look forward to the opportunity to bring our mRNA technology to Europe.

Thank you in advance for your time and consideration.

Kind Regards,

(10)(2e)
