Gezondheidsverklaring – nieuwe opzet (versie A)

Ik begrijp dat er vanwege het coronavirus (COVID-19) veiligheidseisen worden gesteld aan het reizen. Het risico van verspreiding van het coronavirus (COVID-19) moet zo veel mogelijk worden beperkt. Daarom geef ik onderstaande gezondheidsverklaring af.

Als ik reis in een groep, dan geldt deze verklaring voor alle passagiers die ik incheck.

Ik begrijp dat ik niet aan boord mag gaan van mijn vlucht als ik het volgende niet kan verklaren:

- * Ik **verklaar** dat ik niet naar de luchthaven zal komen en niet zal vliegen, als:
 - ik in de afgelopen tien dagen contact heb gehad met iemand die (vermoedelijk) besmet is met het coronavirus (COVID-19);
 - ik (mogelijk) een longontsteking of coronavirusinfectie (COVID-19) heb.
- * Ik **verklaar** dat ik weet dat ik niet mag vliegen met klachten die passen bij het coronavirus (COVID-19). Ik **verklaar** daarom dat ik niet zal vliegen in één of meer van de volgende gevallen:
 - ik heb in de afgelopen 24 uur verhoging of koorts gehad;
 - ik heb in de afgelopen 24 uur last gehad van verkoudheid (neusverkoudheid, loopneus, niezen, keelpijn of hoesten);
 - ik in de afgelopen 24 uur kortademig ben geweest;
 - ik verloor plotseling mijn reuk en/of smaak in de afgelopen 24 uur.
- * Ik **verklaar** dat ik 13 jaar of ouder ben en deze gezondheidsverklaring naar waarheid heb ingevuld. Ik **verklaar** dat ik volledig meewerk om het risico van verspreiding van het coronavirus (COVID-19) zo veel mogelijk te beperken.

Ik begrijp dat ik het vliegtuig niet in mag als mijn gezondheidsverklaring niet juist blijkt te zijn. Bijvoorbeeld als ik toch één van de bovenstaande symptomen blijf te hebben als ik op de luchthaven ben.

Belangrijk: Houd uw instapkaart/boarding pass (digitaal of geprint) bij u gedurende uw gehele reis. De lokale autoriteiten kunnen u vragen deze te laten zien als bewijs dat u deze gezondheidsverklaring hebt ingevuld.

Déclaration sanitaire

Je comprends qu'en raison du coronavirus (COVID-19), des règles de sécurité sont en place pour voyager. Le risque de propagation du coronavirus (COVID-19) doit être limité autant que possible. C'est pourquoi je remplis la déclaration de santé ci-dessous.

Si je voyage en groupe, cette déclaration s'applique à tous les passagers avec lesquels je m'enregistre. Je comprends que je ne suis pas autorisé à embarquer si je ne peux pas déclarer ce qui suit :

- Je déclare que je ne me rendrai pas à l'aéroport et que je ne prendrai pas l'avion si :
 - J'ai été en contact dans les dix derniers jours avec une personne qui est (probablement) infectée par le coronavirus (COVID-19) ;
 - Je souffre (probablement) d'une pneumonie ou d'une infection au coronavirus (COVID-19).
- Je déclare que je sais que je ne suis pas autorisé à prendre l'avion si je présente des symptômes correspondant à ceux causés par le coronavirus (COVID-19). Par conséquent, je déclare que je ne prendrai pas l'avion si au moins l'un des cas suivants s'applique à moi :
 - J'ai eu une température élevée ou de la fièvre dans les dernières 24 heures ;
 - J'ai eu un rhume (rhume du nez, écoulement nasal, éternuements, mal de gorge ou toux) dans les dernières 24 heures ;
 - J'ai présenté un essoufflement dans les dernières 24 heures ;

- J'ai perdu soudainement l'odorat ou le goût dans les dernières 24 heures.
- Je déclare que je suis âgé de 13 ans ou plus et que les informations que j'ai données sont véridiques. Je déclare que je vais pleinement coopérer pour minimiser le risque de propagation du coronavirus (COVID-19).

Je comprends que je ne suis pas autorisé à embarquer si ma déclaration sanitaire est incorrecte. Par exemple, si je présente l'un des symptômes mentionnés ci-dessus lorsque je suis à l'aéroport.

Important : Gardez votre carte d'embarquement (numérique ou imprimée) avec vous tout au long de votre voyage. Les autorités locales peuvent vous demander de la présenter pour prouver que vous avez rempli cette déclaration sanitaire.
