Dear (10)(2e),

Thanks. That is good info. Could you also inform ambassador?

Ambassador sent the two translated KOTRA files to the Netherlands. There is no reply from them. So no further actions need from us yet.

Regards,

(10)(2e)

Dear (10)(2e)

Our good friend (10)(2e) (10)(2e) contacted me last evening and asked if we need to contact (10)(1c) which is a manufacturer of Corona virus tester (RT-PCR: Molecular Diagnostic equipment) and also happen to be in the list of KOTRA. His company gives logistic service to Solgent and apparently it's selling the products in Europe by distributors.

So if we need to contact them we can get support from (10)(2e)

Best regards,

(10)(2e)

Dear (10)(2e),

This is the English version of the KOTRA list of COVID test kit companies that (10)(2e) received.

(10)(2e) (10)(2e) is working on the translation of the other KOTRA list with Korean companies that produce all sort of medical supplies.

Regards,

(10)(2e)
