Dear KOTRA colleagues,

Mr. (10)(2e) (10)(2e) is a person in charge of trade part at LCH. He is looking into different purchasing options for the coronavirus related supplies. I am in talk with him on how Korean products can be an option for LCH. You can provide certified suppliers list for protective gears and other products to him.

Best regards,

(10)(2e)

Dear (10)(2e),

I received the updated version of this morning about the testkit suppliers with information about compatible PCR instruments.

Please find the attached excel from KOTRA. The Korean medical information service posted even more extensive list of suppliers including specimen collection kit, nucleic acid extractor, PCR device and reagents/testkits at the following link:
