**Subject:** Gloves Korea

Dear (10)(2e) (10)(2e) and (10)(2e),

From NL, I received feedback from my contact at RVO about the gloves. He checked with the purchasing department. They say (in Dutch, so I have to translate) that there has been contact with the Koreans, but according to the purchasing department, the certification of the gloves was an unsuitable old certification. The Dutch did therefor not proceed.

Regards,

(10)(2e)
