Onderwerp: Overview of travel advice issued about China - 29/02/2020 at 1300 (CET)

Dear Colleagues,

Attached is an updated overview of travel advice issued by EU MS & like-minded countries about China following the coronavirus outbreak.

Please note that this overview is based on the available, official information provided by MFAs. It captures the main elements of a given travel advice; for the full description and details, please visit respective MFA website.

Kind regards,

(10)(2e)
