**Received:** Wed 8/19/2020 8:18:12 PM  
[20200819Diagnostic testing for SARS CoV 2 final.docx](#)

Dear all,

Thank you very much for your contribution to the update of the interim guidance for SARS-CoV-2 testing. We will now send it for editing and to the WHO publication review committee. As many people have contributed the version it might have been substantially changed since your revision/input. In case you encounter mistakes or concerns please contact me before Friday noon Geneva time, also please check your name and affiliation.

Thanks for your continuous support,

Sincerely,

[redacted]
