We are sending the manuscript to you, as the relevant members of the COVID-19 network, so that you are informed about its contents in advance of publication. Of course, if you have any comments or suggestions about the paper, please feel free to let us know, and we will forward these (through [REDACTED] [REDACTED], from ECDC, who is a co-author on the paper) to the research team.

Kind regards,

ECDC COVID-19 Team
