COVID19 Outbreak report confidential.pdf

Dear 5.1.2e

Please find attached the anonymised version of the Vion outbreak report that I have prepared for sharing with ECDC as part of my fellowship reporting. I deleted both the names of Vion and the region/GGD location.
Please let me know if you have any corrections before I share it confidentially with my ECDC frontline coordinator for archiving.

The ESCAIDE draft will follow too.

Kind regards,
