Hoi [redacted]

Ik heb de referenties in de juiste volgorde gezet. Het was even een puzzel omdat de nummering niet overeenkomt tussen jouw en onze versie van endnote, dus als je de gelegenheid ziet om de referenties nog te controleren zou dat top zijn! De lijst staat achteraan deze email.

Groeten,

Hoi 5.1.2e

Ik heb ook nog even naar ons hoofdstuk gekeken, bij deze een nieuwe versie. Omdat figuur 12.3 ook is aangepast ook de Excel-file nogmaals.

Groeten,
5.1.2e

De volgorde van ref 2-34 op basis van mijn Endnote database, deze kun je dus met de pijltjes aanpassen. Ik kan het ook voor je doen?

(10)(2g)

- Er staan ook nog wat redactionele comments in, die mag je negeren.

Ik zie jullie reactie graag uiterlijk woensdag 2 september tegemoet. Alvast bedankt!

Groet,
