Subject: FW: List of guidance from ECDC and important publications on COVID-19 as of 4 March 2020
Received: Wed 3/4/2020 9:42:14 PM

Beste collega,

Bijgaande mail van de ECDC geeft toegang tot een aantal nuttige documenten die guidance kunnen geven mbt bestrijdingsmaatregelen, tevens is de meest relevante literatuur beschikbaar gemaakt.

Voor de geïnteresseerden en als achtergrond voor policy-making.

Met vriendelijke groet,

(10)(2e)

Subject: FW: List of guidance from ECDC and important publications on COVID-19 as of 4 March 2020

ECDC heeft document over resources benodigd voor BCO opgesteld.... Handig voor het geval dat jullie moeten verantwoorden dat dit heeel veel tijd kost

Dear all,

Please find below a list, with links, of all the guidance produced by the ECDC on COVID-19 since the last Weekly Digest update that was sent on 26 February 2020.

We are constantly assessing the need to update existing, or produce new, guidance in light of recent developments. Please get in touch if you feel there is something you would like us to consider.

Please forward this widely to others you feel would benefit.

ECDC outputs:

- Risk assessment: Outbreak of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2): increased transmission globally – fifth update:

<https://www.ecdc.europa.eu/en/publications-data/rapid-risk-assessment-outbreak-novel-coronavirus-disease-2019-covid-19-increased>

What is new in this risk assessment?

- Updated epidemiological data;
- Description of cases and transmission reported in the EU/EEA and the UK;
- Findings on disease and transmissibility;
- Risk to the healthcare systems in the EU/EEA and the UK;
- Risk to citizens from the EU/EEA and UK travelling or living in areas with presumed community transmission;
- Risk of widespread and sustained transmission in the EU/EEA and UK in the coming weeks;
- Options for preparedness and response; including a proposed change in case definition.

- Resource estimation for contact tracing, quarantine and monitoring activities for COVID-19 cases in the EU/EEA:

<https://www.ecdc.europa.eu/en/publications-data/resource-estimation-contact-tracing-quarantine-and-monitoring-activities-covid-19>

- Checklist for hospitals preparing for the reception and care of coronavirus 2019 (COVID-19) patients: <https://www.ecdc.europa.eu/en/publications-data/checklist-hospitals-preparing-reception-and-care-coronavirus-2019-covid-19>
- Guidance for wearing and removing personal protective equipment in healthcare settings for the care of patients with suspected or confirmed COVID-19: <https://www.ecdc.europa.eu/en/publications-data/guidance-wearing-and-removing-personal-protective-equipment-healthcare-settings>
- Q & A on COVID- 19: <https://www.ecdc.europa.eu/en/novel-coronavirus-china/questions-answers>
- Dashboard- COVID-19 situation worldwide (interactive map): <https://qap.ecdc.europa.eu/public/extensions/COVID-19/COVID-19.html>
- Situation update worldwide, which includes data updated daily at 08:00 CET: <https://www.ecdc.europa.eu/en/geographical-distribution-2019-ncov-cases>
- Weekly Communicable Disease Threats Report for 23-29 February, week 9, which includes an update on 2019-nCoV: <https://www.ecdc.europa.eu/en/publications-data/communicable-disease-threats-report-23-29-february-2020-week-9>
- Infographic on novel coronavirus including basic information about the virus, symptoms, prevention and transmission: <https://www.ecdc.europa.eu/en/publications-data/infographic-novel-coronavirus>
- COVID-19 Micro learning for public health professionals: https://eva.ecdc.europa.eu/totara/catalog/index.php?catalog_cat_browse=16005&orderbykey=text&itemstyle=narrow

ECDC has a dedicated page with all scientific advice publications in the link below:

<https://www.ecdc.europa.eu/en/coronavirus/guidance-and-technical-reports>

All ECDC's situation updates and background on COVID-19 can be found here: <https://www.ecdc.europa.eu/en/novel-coronavirus-china>.

In light of the rapidly evolving situation, we have decided to update our risk assessment COVID-19 daily. This daily update can be found on the ECDC website, here: <https://www.ecdc.europa.eu/en/current-risk-assessment-novel-coronavirus-situation>.
