SECURITY BULLETIN
SB 2020-11-A
July 18, 2020
(A) COVID-19 PCR Test

Passengers listed in section II (A) ii. of this Security Bulletin (passengers originating from a medium risk area) shall undertake a COVID-19 PCR test at a nationally accredited laboratory as close to departure date as possible, but in any case, no earlier than 72 hours, prior to the scheduled departure date. The result of the passengers' PCR test must be submitted as soon as possible before departure to ⁽¹⁰⁾⁽²⁶⁾ @gobiernu.cw. The passenger shall also submit a hardcopy of the PCR test results at Immigration or at an indicated government agency upon arrival in Curaçao. The PCR test is per person and the test is mandatory for all ages. To be permitted to board the flight, the PCR test must indicate a negative result.

Passengers listed in section II (A) i. of this Security Bulletin (passengers originating from a low risk area) are exempted from this requirement.

(B) Public Health Passenger Locator Card

Every individual passenger shall complete and sign the Curaçao Public Health Passenger Locator Card (PLC). This PLC must be submitted by e-mail to: ⁽¹⁰⁾⁽²⁶⁾ @gobiernu.cw, no earlier than 48 hours before the flight. The passenger shall also submit a hardcopy of the signed form at Immigration or at another indicated government agency upon arrival in Curaçao. The PLC form is available for download on the government's website: <http://www.gobiernu.cw> and on the CCAA website: <http://www.ccaa.cw/>.

— REFUSAL TO BOARD

Those passengers not being able to demonstrate a negative COVID-19 PCR test outcome shall not be permitted to board any flight bound to Curaçao.

— QUARANTINE REQUIREMENTS

Mandatory quarantine of 14 days at a separate location in Curaçao, including a COVID-19 PCR test may be the result of health screening and questioning performed by the Department of Health of the Government of Curaçao upon arrival, depending if:

- The passenger has been present in a COVID-19 high risk country with widespread infections in the previous 14 days of attempted entry (any other area than listed in Attachment I); or

SECURITY BULLETIN

SB 2020-11-A

July 18, 2020

- The passenger shows COVID-19 related symptoms upon arrival; or
- The passenger has been in contact with anyone that was diagnosed COVID-19 positive, in the previous 14 days of attempted entry.

— **CREWMEMBER REQUIREMENTS**

Crewmembers are exempted from all measures as laid down in this Security Bulletin shall be allowed to continue with their duties while complying with the sanitary rules applied by the Government of Curaçao, to include but not limited to, wearing a face mask before disembarking, social distancing, etc. This includes a compulsory quarantine during stayover.

Depending on unforeseen circumstances, the duration of the quarantine may be extended to a period of maximum 14 days.
