Onderwerp: CLG Europe input to EU COMPET Council on Recovery and Resilience plans and EU industrial strategy

Dear Minister van 't Wout,

On behalf of 10.2.e

, please see in attachment his letter that relates to the 25 February Competitiveness Council meeting. The content of the letter refers to the discussions that are expected to take place during the meeting on Covid-19 Recovery and Resilience Plans (RRP) and wider EU industrial policy. The letter includes a number of recommendations to better ensure the RRP and EU industrial policy are aligned with EU climate targets and the Green Deal growth strategy that in turn can provide growth, jobs and competitiveness benefits to the European Union.

We would be delighted to discuss these issues further with yourself or your team in the future, in the meantime if you have any queries, please do not hesitate to contact us.

Your sincerely,

10.2.e
