Hi (10)(2e)

Dank voor de update!

Dan geef ik de datum door aan Moderna.

Ze schijnen morgen iets te gaan aankondigen... (hoorde ik van (10)(2e) van de NOS).

Hij dacht iets dat ze 30.000 inclusies hadden, maar wie weet is er al een eerste iterim analyse?

Spannend.

Dus wel fijn als we ze snel spreken.

Groet, (10)(2e)

Hoi (10)(2e)

buiten verzoek

Ik moet even wat schuiven in mijn agenda maar dan is 5 november voor mij ook oké. Tuurlijk mag iedereen er bij zijn, we hebben alleen afgesproken dat er minimaal 2 mensen bij moeten zijn en dat verdeelt.

We hebben nog even over het proces rondom advies challenge studie gesproken. Daarvoor had ik (10)(2e) hier ook nog even over gesproken. Willy was niet blij met het feit dat onze stukken tekst integraal naar Meta gegaan zijn. Daar waren we het allemaal over eens. Ik heb aangegeven dat ik er van uitgegaan was dat (10)(2e) op basis van informatie van ons advies panel en het treatment advies panel zelf een advies op zou stellen en dat dat naar Meta zou gaan. Net zo als wij op basis van allerlei input onze adviezen opstellen. (10)(2e) gaf toe dat dit niet goed gegaan is. We hebben afgesproken dat er een duidelijkere advies vraag van VWS moet komen en dat we graag van Meta een toelichting zouden willen over de status. Waar zijn ze al mee bezig en wat zijn de plannen. (10)(2e) gaf vervolgens nog aan dat ze voor de zomer een benen op tafel sessie gehad heeft oa met Meta over challenge studies. Ze vroeg zich af of ze dan nog wel bij dit gesprek kan zijn.

We waren het er allemaal over eens dat dat geen probleem is, maar dat het fijn is om het te weten.

Groeten,

(10)(2e)

Hi (10)(2e)

buiten verzoek

De twee vragen die ik had:

1.Mbt Moderna: Kun jij ook op 5 november van 2-3 uur (zie bericht hieronder)? (10)(2e) kan in elk geval ook al. Dan kan ik die datum vast laten leggen.

En, buiten jullie tweetal, als de anderen er bij willen zijn kan dat toch ook? Dat is goed te weten als ik namen en email adressen en confidentiality paperassen. Of wat is daarover afgesproken?

2.Hoe was de discussie met de board over het challenge model? Ik ben benieuwd waarom (10)(2e) het op de agenda had laten zetten. Zeker gezien nu de publiciteit over het HCM in de UK.

Groet, (10)(2e)

I hope this finds you well.

Thank you very much for providing availabilities. Unfortunately these don't work from our end. Is there any chance that *November 5 from 14:00-15:00 CET/ 8:00-9:00 ET* would be convenient for you and the Members of the Scientific Board?

If not, I'd be happy to come back and suggest some alternative options.

Dear (10)(2e),

We have two suggestions for an alternative date, with at least 4 members indicating availability:

Monday 26th October 14:00-15:00 CET

Wednesday 28th October: 15:00-16:00 CET

Notably: we are changing to 'wintertime' upcoming weekend in the Netherlands (night 24th-25th October): so perhaps the time difference with the US may change...

Looking forward to hearing from you,

Best wishes, (10)(2e)

Dear (10)(2e),

Following the correspondence with (10)(2e), I herewith confirm, as a member of the Dutch science board for COVID-19 vaccines, that our panel would indeed like to discuss the latest scientific data with the Moderna team at short notice.

The members of the board are prepared to sign a confidentiality agreement. Could you come back to me with any meeting options?

We will then get back to you with a list of, most likely 2-4, members who could be present.

Thank you very much in advance.
