 Onderwerp: RE: UK-NL discussion on vaccines

Dear (10)(2e)

It is very good to be in touch. Copying to (10)(2e) my PA who can help fix an introductory discussion to compare notes on what the vaccine task forces in the UK and Netherlands are doing and how we can best cooperate.

We had an initial discussion with the Commission yesterday about UK participation in the EU procurement initiative and are having further discussions on Friday.

Whatever the outcome of that discussion we will want to work closely with you.

(10)(2a)

I have a call with a German colleague (10)(2e) from BMG this afternoon.

Onderwerp: RE: UK-NL discussion on vaccines

Dear (10)(2e)

It was good to speak this morning.

The Commission has asked the UK for a decision on opting in or out of European collaboration on vaccine procurement by close on Wednesday.

(10)(2a)

It would be very helpful if you could help link me up quickly with the right colleagues in the Inclusive Vaccine Alliance countries. I have been trying to establish contacts but I may not be talking to all the right people. I would be very happy to join a call with the group to explore how we can work together practically if that would be welcome from your side.

It would be helpful if you could separately link me up with Dutch colleagues in your vaccine taskforce.

(10)(2a)

All the best,

Tim

Geachte (10)(2e) (10)(2e)

I am keen to speak to my Dutch counterpart on Monday if possible. Copying in my PA (10)(2e) who can help find a slot in my diary.

We have been invited by the Commission to join the European joint vaccine procurement initiative on the basis that we are contributing to the Eur 3b budget for this.

I am keen to talk to you about the possible options for doing that.

Geachte (10)(2e) (10)(2e)

I am emailing from the UK Vaccine Taskforce to seek a meeting to discuss potential collaboration on vaccines and I understand from my colleagues in the British Embassy that you can help link us facilitate this? We suggest an initial discussion with our acting Director for International, Tim Colley. Please let me know any questions that will help you point us in the right direction?

Many thanks
