Hallo (10)(2e)

Veel dank nogmaals, hierbij ter informatie het bericht zoals ik aan de Fransen heb gestuurd. Zij hebben nu namens de andere landen gesprekken met AZ waarin ze verschillende punten meenemen.

Onderwerp: Remarks AZ proposal

Dear (10)(2e)

We hereby send you some remarks regarding the second proposal of AZ.
As stated by our minister there are a few points most important and key for the upcoming talks.

(10)(2a)

(10)(2a)

In addition, we hereby send you some text suggestions made by our legal advisors on the mentioned points. We still have to discuss these with our DG, but regarding the upcoming talk between you and AZ on behalf of our countries, we share them in advance with you for inspiration.

Possibly we will communicate tomorrow morning additional suggestions to you following reflections by our DG, but we know and understand that the talks will be ongoing by then.

Kind regards,

(10)(2e)
