Hi (10)(2e)

I am sorry but also for this meeting I will not be available.  
 Do you have the possibility to attend this meeting on the 26<sup>th</sup> of May in the afternoon?  
 If not, I can also ask (10)(2e)  
 However, as far as I can see, no presentation from WP2 is asked.

Best wishes,  
 (10)(2e)

**Subject:** 5th Stakeholders Committee Meeting - background documents

Dear PMT, dear Communication Team,

Stakeholders Committee Meeting (SCM) members have been provided with background documents in preparation to our meeting on the 26th of May 2020. You can find the zip file attached, which contains for you familiar documents: the latest "targeted report to key EU stakeholders", the COVID-19 document and the three documents linking the identified needs of international stakeholders with activities of the One Health EJP.

If you are a presenter we would be grateful if you could send us the slides that you wish to present by Thursday the 21st of May, so that short before the meeting we could send you a file with all the presentations. This is in case of technical issues with the online platform.

As regards participation of PMT members in the next SCM, we would like to remind you to a previous agreement that usually one representative of each WP should participate. For sure this needs to be completed by those who are presenting.

Looking forward to a fruitful discussion,

Best regards,

(10)(2e)
