

3rd Special webinar on COVID-19 for policy and technology sharing

1. Background and Purpose

- To meet the increasing global demand for the sharing of Korea's experiences on the fight against COVID-19.
- To jointly respond to the ongoing global pandemic crisis by sharing COVID-19 control policies and related technologies and information.

2. Overview

- **Title:** Special Webinar on COVID-19 for policy and technology sharing
- **Date and Venue:** May 27, 2020 (Wed) at 1:00 a.m. (Geneva Time)
- **Presenters:** Officials from Ministries of Health and the National Fire Agency, experts in diagnostic testing and clinical treatment
 - ※ *All presentations will be in Korean (simultaneous interpretation into English and Spanish available)*
- **Major Topics:** National policies on COVID-19 response, the entire process from diagnosis, to patient transport and treatment
- **Attendees:** global healthcare staff members, especially from Latin America and the Caribbean countries

3. Method

- Anyone who wants to attend can join and ask questions in real-time (via the web streaming link: (10)(2g))
- Disease control officials and experts will give virtual presentations followed by a real-time Q&A session, where the Chair will choose the questions
