- * = Subject to reciprocity

Situation at the external borders

Annex: Detailed Information

Member State	Follow-up on 9208/20	Start date	Comments- Lifting of travel restrictions for third countries	For the proof of residence, do you request the documents set out in the Frontex guidance? Or any other documents (which)?	Have you informed the other MS of the measures you have taken at the moment when the measures were put in place?
AUSTRIA			Decision pending		
BELGIUM			BE did not open its external borders: BE has decided to maintain temporary border restrictions for non-essential travellers from the countries listed in Annex I of the recommendation. BE has extended the categories of essential travellers for all third countries, in accordance with Council recommendation.	Non-essential travels from third-countries are prohibited. Once applicable, only accepting residence permit as a proof of residence.	
BULGARIA	X	16 July	BG opened to all countries on the list: Restrictions to non-essential travel lifted for all countries on the list, except for China		
CROATIA			HR did not open its external borders, while exemptions from restrictions are applied in line with the Council Recommendation. Under	HR did not open its external borders, while exemptions from restrictions are applied in line with the Council	Yes, via various channels, and this compilation is part of it.

Situation at the external borders

			<p>certain conditions, temporary restriction on entry is also lifted for additional specific categories of travellers with the application of prescribed epidemiological measures.</p>	<p>Recommendation. As well, under certain conditions, temporary restriction on entry is also lifted for additional specific categories of travellers with the application of prescribed epidemiological measures. In all such cases, valid documents proving a justified reason (e.g. family reunification, funeral of a family member, business meetings or other economic reasons) for crossing HR external border need to be presented at the border crossing point.</p>	
CYPRUS	X	5 Sept mber	<p>CY opened to some countries on the list: Restrictions to non-essential travel lifted for residents of Australia*, Canada, China*, Georgia, Japan*, New Zealand, South Korea, Thailand, Uruguay* [* Need to have negative PCR test at least 72 hours prior to departure]</p>		

Situation at the external borders

CZECHIA	X	13 July	Open to some countries: Restrictions to non-essential travel lifted for residents of Australia, Japan, Canada, South Korea, New Zealand, Thailand, Tunisia	Yes, Documents set out in the Frontex guidance are checked as well as other documents proving the purpose of travel in case of exempted categories (i.e. in case of family members, documents such as birth certificate, marriage or registered partnership certificate, etc.).	Yes, via various channels, including this compilation.
DENMARK	X	16 July	N/A, nevertheless restrictions of non-essential travel lifted for residents of Australia, Canada, Georgia, Japan, New Zealand, South Korea, Thailand, Tunisia and Uruguay.	The guidelines given by Frontex are implemented in the border control on the external borders in Denmark. All travellers shall upon entry answer questions about the country of residence. Only residence permits issued by the country of residence is recognized as documentation for entry into Denmark.	Information regarding measures is continuously updated on the central homepage: https://politi.dk/en/coronavirus-in-denmark
ESTONIA	X	6 July	EE opened to all countries on the list: Restrictions of non-essential travel have been lifted for residents of Australia, Canada, Georgia, Japan, New Zealand, Rwanda, South Korea, Thailand, Tunisia and Uruguay. China is subject to confirmation of reciprocity.	Currently, no direct flight connections. However, border guards may request documents proving residence on arrival if there is doubt regarding the person's residence	Yes. The Estonian MFA has informed the Embassies on the travel restrictions and all the relevant information (weekly updates, exceptions etc.) can be found on the MFA webpage https://vm.ee/en/information-countries-and-self-isolation-requirements-passengers Updates are also communicated via other channels, including the EU relevant formats.

Situation at the external borders

		Self-isolation on entry from Australia as the 14-day cumulative number of COVID-19 cases per 100 000 inhabitants exceeds 16.

[*subject to confirmation of reciprocity]	Yes	Through COVID19 Information Group, IPCR and Coreper Through the website: https://travel.gov.gr
HUNGARY	X	9 September	HU did not open its external borders , while exemptions from restrictions are applied: freight traffic, official visit, business trips, based on special request, cross-border commuters (30 km zone), athletes participating sport	2 types of proof of residence are accepted: - persons entitled to permanent residence in Hungary and their family members; - persons holding a valid residence permit issued by the aliens policing	Neighbouring countries were informed

Situation at the external borders

			events, passengers transiting	authority allowing for the residence in Hungary for a duration exceeding 90 days and presents this document upon entry ("D" type visa is equivalent).	
ICELAND	X	15 July	<p>Open to some countries: Restrictions of non-essential travel lifted for residents of Australia, Canada, Georgia, Japan, New Zealand, Rwanda, South Korea, Thailand, Tunisia, Uruguay.</p> <p>All persons arriving to Iceland have to undergo Covid -19 test on arrival (unless if they choose to quarantine for 14 days instead), stay in mandatory quarantine for 4-6 days before taking a second test.</p>	For a proof of residence, the documents set out in the Frontex guidance are used	Yes. Iceland has informed other Schengen member states of all measures taken through public announcements, circular notes to diplomatic missions and through direct diplomatic contact, and through other relevant channels, including through the Icelandic Transport Authority and airport operator ISAVIA.
IRELAND	N/A		N/A		
ITALY	X	1 July	<p>Open to all countries except China Restrictions of non-essential travel lifted for residents of Australia*, Canada*, Georgia*, Japan*, New Zealand*, Rwanda*, South Korea*, Thailand*, Tunisia*, Uruguay* [*Need to self-isolate for two weeks on arrival]</p>	Yes	

Situation at the external borders

LATVIA	X	1 July	LV opened to all countries on the list except China* : National requirements (i.e., requirements for self-isolation and recommendation travel/ avoid travelling) for Annex I countries usually is updated every Friday (afternoon) and enters into force next day after publication along with the EU/ EEA countries list. [*lack of reciprocity]	Currently there is a direct flight only from one third country listed in the Annex I (Georgia). For the proof of residence, documents set out in the Frontex guidance, for instance residence permits, working permits etc., as well as other documents (e.g. student cards, marriage certificates, child birth certificates etc.) are used in accordance with their status and practical possibilities for their application.	The relevant information appears in the summary documents prepared by the EU institutions, for instance, in the IPCR questionnaires. In addition, it is also available on the webpage of the Latvian Centre for Disease Prevention and Control (CDPC) (https://www.spkc.gov.lv/sites/spkc/files/data_content/11_09_2020vm-en.pdf)
LIECHTENSTEIN	X		LI opened to all countries on the list : Restrictions of non-essential travel lifted for residents of Algeria, Australia, Canada, Georgia, Japan, Morocco, New Zealand, Rwanda, South Korea, Thailand, Tunisia, Uruguay, China*. [*subject to confirmation of reciprocity]		
LITHUANIA	X	19 August	LT opened to all countries on the list : (if the incidence of COVID-19 (coronavirus infection) in the country has not exceeded 25 cases per 100 000 population in the last 14 calendar days.)	Yes. The main document which is asked to be provided is a residence permit. It could also be a work permit, an identity card or a driving licence.	Yes

Situation at the external borders

LUXEMBOURG	X	1 July	LU opened to all countries on list: China is subject to reciprocity to all EUMS as set out in the Council recommendation. All third country nationals arriving from countries not on the list (essential travellers under categories of Annex II) are required to present a negative PCR test not older than 48h at departure.	LU does not go beyond the documents included in the guidance. However, we do not accept some types of documentation on the list (i.e. driver's licence) as these are not considered to be sufficient proof of residence	Yes, information provided at the Covid Information Group.
MALTA			Decision pending		
THE NETHERLANDS	X	8 July	Open to some countries: Restrictions of non-essential travel lifted for residents of Australia, Canada, Georgia, Japan, New Zealand, Rwanda, South Korea, Thailand, Tunisia, Uruguay	Yes, Additional documents which are set out in de FX guidelines, e.g. residence permits, work permits, identity cards or driving licences issued by the third-country of residence, and any other official documents that supports the travellers' claimed country of residence, are accepted. This is important since third countries' residence or work permit details are not always affixed or indicated on travel documents, especially passports. Non-compliance with the	NL informed some (neighbouring) MS of measures taken.

Situation at the external borders

				above could result in refusal of entry, or lengthy first-line and second-line checks that slow passenger flows.	
NORWAY		10 July	NO did not open its external borders: Restrictions continue to apply for all countries		<p>The information on measures taken is public:</p> <p>The Norwegian institute for Public Health: https://helsenorge.no/other-languages/english</p> <p>The Ministry of Foreign Affairs: https://www.regjering.no/en/topics/koronavirus-covid-19/id2692388/</p> <p>The Norwegian police: https://www.politiet.no/en/rad/border-and-border-crossing/</p>
