Wie zullen we richting de Fransen naar voeren schuiven?

Jijzelf? Maar je bent al zo druk.

Of iemand van het RIVM?

Onderwerp: From French Ministry for Health : question abour COVID-19 vaccine distribution

Sir,

I am currently working in the French ministry for Health, in charge of COVID-19 vaccine distribution.

Is it possible to discuss with you about the strategy of distribution, the warehouse capabilities, aso. ?

I unfortunately can not speak Dutch, so we could have discussion in English.

Best regards
