5.1.2h

5.1.2h

In this webinar, attendees will hear from speakers who are at the forefront of developing cutting-edge solutions and driving research in vaccine development.

Join the Embassy of Canada in the Netherlands in welcoming the International Vaccine Institute (IVI), Medicago, Janssen Vaccines, Julius Clinical and Clinical Trials Ontario as they explain the process and timelines of developing and testing COVID 19 vaccines and discuss why a collaborative global approach is so important in addressing this global pandemic.

Topics discussed will include:

- COVID-19 vaccine development in the mRNA, Adeno and protein-based vaccines
- COVID-19: Impact for other vaccine developments
- Regulatory hurdles and opportunities
- Clinical trial space in Canada, in Europe and in Asia

Panelists:

5.1.2e

5.1.2e

[REDACTED] International Vaccine Institute.

He will share his thoughts on the challenges of developing vaccines for Global Health.

5.1.2e

5.1.2e

[REDACTED] Johnson & Johnson's Janssen

5.1.2e

5.1.2e

She will speak about J&J coronavirus vaccine in development and history behind their candidate vaccine.

5.1.2e

5.1.2e

[REDACTED] Medicago.

She will speak about Medicago 20 years of history of Medicago and their novel plant-based vaccine candidate currently at the pre-clinical testing phase.

5.1.2e

5.1.2e

[REDACTED] - Clinical Trials Ontario.

He will talk about the biotech ecosystem in Canada, the regulatory environment developments since COVID-19 and trial sites network.

5.1.2e

5.1.2e

5.1.2e

[REDACTED] Julius Clinical.

5.1.2e

He will discuss challenges posed by COVID19 in Europe as well as opportunities for harnessing Europe's health data resources for smarter treatment and prevention.

Invitations will be extended to dozens of domestic biotech companies, stakeholders in academia, government, industry associations and consulting firms in Canada and in Europe. International biotech companies and stakeholders are welcome to attend. There is no fee to attend this event!

I look forward to you attending this webinar. Should you or your network have any questions, please do not hesitate to contact me anytime via email.

Many thanks,
