**Onderwerp:** BioNTech/Pfizer Allocation and Order Forms - WORD version to be sent back

Dear Members of the Steering Board,

BioNTech/Pfizer has come back to us on the 21 Order Forms, which they can unfortunately not accept as is, in view of some errors.

In order to facilitate the revision process, they are proposing to review each Order Form before Member States have them signed again.

May we kindly ask you to *send us, as soon as possible, the Word version of your Order Form*, which we will pass on to BioNTech/Pfizer, for revision?

In addition, on behalf of 5.1.2e, after *some adjustments between LV, MT, DK and NL*, please find attached the **FINAL FINAL allocation table. All other numbers are unchanged.**

Could we please ask these 4 MS to adapt the number of doses accordingly in their Order Form (for your support, we also attach the new **quarterly allocation table**).

Thanks a lot for your understanding.

Best regards,
